Northrop Is Acclaimed "Dad"—Oldest Rotarian

Winnetka Rotarians have a new "dad" in the club. He is Police Magistrate Clark T. Northrop, who has displaced Elmer Adams, formerly postmaster of the village. Mr. Adams was known as the dad of the organization for some time, but since Mr. Northrop has become a member it has been learned that he has the title cinched. He was born February 17, 1848, so he informed his friends, and so is the oldest man in the club and takes the title of "dad." Members are considering calling him "grandad."

Mr. and Mrs. Heyliger A. deWindt entertained at a family dinner at their home on Chestnut street Thanksgiving day.

President

Mrs. Arthur Farwell Tuttle has been chosen president of the Arden Shore association which, at its Lake Bluff Rest camp, each year takes care of hundreds of mothers and children from the Chicago tenement districts. Arden Shore is supported largely by the north shore communities.

Visitor to Italy Says Nice Things About Us

J. L. Hartzler, who styles himself "a former and future resident of Winnetka," and whose present address is Florence, Italy, comments glowingly concerning the appearance of the "new and enlarged edition" of WINNETKA TALK.

"I have occasionally received copies of the WINNETKA TALK," Mr. Hartzler writes, "and needless to say, myself and family found them very interesting in spite of the fact that by the time they reached us the news was 'cold.' This morning I received my first copy of the new and enlarged edition and, as they say in Italy, 'bravo buenissimo.'"

Dundee Minister is Chosen as Associate Pastor in Winnetka

The Rev. Thomas A. Goodwin of Dundee, Ill., has been called by the Winnetka Congregational church as associate minister. Mr. Goodwin was chosen at a church meeting held Monday evening of this week.

The question of calling a third minister caused the Congregational church meeting, Monday evening, to be well attended. An interesting and completely harmonious session resulted in a unanimous vote to extend the call to Mr. Goodwin. If his acceptance is received, as there is confident hope it will be, a more complete account of the meeting and particulars concerning Mr. Goodwin will appear next week.

Rev. James A. Richards, pastor of the church, and other church officials have for a long time felt that the growth of the village and the expansion of the church activities created responsibilities which could not be met without finding another minister to supplement the work now being done. The meeting last Monday, resulting in the call to Mr. Goodwin, was the culmination of their efforts to adequately take care of the work in hand.

Award Contract for New Light Plant Equipment

The Westinghouse Electric company has been awarded the contract for the new 2,000 kilowatt turbo-generator which is to be installed at the electric light plant as emergency equipment, and take care of the peak loads at certain times. At the last meeting of the Village council the sum of \$65,000 was appropriated for the purchase and installation of the new equipment, which includes, besides the generator, a condenser and exciter. This cost was \$43,856 and the remainder of the money will be needed to install the equipment. Other bidders were the General Electric company, the Allis-Chalmers company, and the Brown, Boveri company. According to Village Manager H. L. Woolhiser, the new equipment will be in service by October 1, 1926. It will be delivered early next June.

Seek Application for Postmastership Here

Applications for examination for the position of Winnetka postmaster must be filed on or before December 8, it was announced this week by the Civil Service examination board.

The position of postmaster is open in view of the resignation of Elmer F. Adams, who has held the post since the beginning of the Harding administration and was also postmaster during President Taft's administration.

Mr. Adams plans to return to the railway mail service in which he is a veteran of 19 years' experience.
