Announce Lesson-Sermon at Services This Sunday

The lesson sermon at the First Church of Christ, Scientist, on Sunday morning, December 6, will be "God, the only Cause and Creator." Services are held in the Masonic temple at 708 Elm street, at 11 o'clock, and the testimonial meeting is held on Wednesday evening at 8 o'clock. Sunday school convenes at 9:35 o'clock.

Needs Your Help

Azniv, a Golden Rule orphan of the Near East Relief and a beneficiary of International Golden Rule Sunday, December 6.

Bandit Pair Robs Oil Station on Boulevard

Two young men held up the Standard Oil Company station on the triangle of county land between Kenilworth and Wilmette early last Monday morning and escaped with a small amount of money, after locking W. K. Jacks, the agent on duty, in a small closet. Jacks was later able to release himself and notified the Wilmette police, who investigated the affair, although it was out of their jurisdiction. The exact sum stolen had not been learned early this week as it was necessary to look through the records to find out how much money was on hand. Police have discovered no trace of the bandits but believe they were not local men.

Close Realty Offices on Sundays During Yuletide

Wilmette real estate offices, almost without exception, will be closed on Sundays until January 16, 1926, it was announced this week. Agreement to close during the holiday season was made last week, with Sunday, November 29, as the first closing Sunday. The natural lightness of real estate activity during the holiday season prompted the agreement to close offices on Sundays until next month. Offices are kept open on Sundays during the balance of the year because of the large number of inquiries coming in on that day of the week from people who are unable to confer with the brokers during the week.
