"Youth of Today and how its Problems are being met," will be the subject of a talk by Dr. Rachel Yarros of Chicago at the meeting of the Winnetka League of Women Voters Monday, December 14. Dr. Yarros is director of the Social Hygiene council. She served during the war in the U. S. Public Health Service, Social Hygiene division, as special lecturer and consultant, and after the war as special lecturer for the Illinois Department of Public Health. She is, and has been for the last 26 years, associate professor of obstetrics in the school of medicine of the University of Illinois.

The meeting will begin as usual with a luncheon at 12:30 at Community House. During luncheon Mrs. Maurice H. Lieber of Winnetka will speak on "Do you know what is going on in the Morals Court?"

Dr. Yarros' talk will come at 1:15. Mrs. Walter Benson, president of the Winnetka League of Women Voters will preside. Mrs. Harold DeLay, chairman of memberships, will announce the winner of the main floor opera tickets, which are to be awarded to the block captain who secured the most memberships during the recent drive. Mrs. Gross T. Williams, chairman of the Social Hygiene committee, is in charge of the meeting.

Mrs. Benson and Mrs. Edwin E. Brown, treasurer of the league, which to take this opportunity to publicly thank the hundreds of women who renewed their memberships during this drive, although the payment of the year's dues was not scheduled until January 1. It has saved the league both the work and expense of collecting to have these memberships come in with the new ones. The treasurer will be at the door at the December

meeting so that other members who are good enough to save the league the expense of sending out cards, may renew their memberships at that time. The board of the league will meet at 11:30 on Monday, December 14, in the league room, immediately preceding the monthly meeting of the club
