

College Folk Hold Benefit Dance for Nutrition Clinic

North shore young people returning from the colleges and universities for the holiday season will plunge into the social whirl almost before they have time to get settled for the few weeks of rest and recreation.

Activities get under way Monday night, December 21, when the college folk gather at the Orrington hotel ballroom at Evanston for the dance and frolic to be given by the Glencoe Juniors for the benefit of the nutrition clinic of the Mary Crane Infant Welfare station at Hull House, Chicago.

Augmenting the dance, coaxed by the entrancing strains of the Barbary Coast orchestra, will be a number of specialties culminating with a Charleston contest.

There is to be a soft shoe specialty done by Helen Scudder, Jean Melville and Laura Lenfesty, a tango exhibition by Don Turner and Helen Scudder, and songs by Jimmie Griffin. The Charleston contest will get under way at 10:30 o'clock.

The Barbary Coast orchestra comprises of a group of Dartmouth boys who have achieved an enviable reputation in the East and the committee in charge regards itself as particularly fortunate in securing this aggregation of dance musicians.

Miss Evelyn Pardee Woods of Glencoe is chairman of the social committee of the Juniors and has charge of the ticket sales.

BETROTHED

Village Sells Electric Cooker at Big Reduction

Electric cookers, cited at "far below retail price" are offered on special holiday sale to residents of Winnetka only, at the old Village hall. Today is the final day of the sale.

This bargain is offered the householders by the Village and represents a purchase at one-third of the retail cost of the article. The cookers come in two sizes and are of proved value, it is explained. At a similar sale last summer the Village experienced a complete sell-out of the devices. The electric cooker avoids the necessity of pre-heating of food on other stoves, it is heated out. It represents cooking by stored heat.

The sale of these cookers, which are said to be especially appropriate for camping or motor tours, as well as thoroughly efficient for home use, ends today.

ATTEND LUNCHEON

Mrs. Eugene Buffington, mother of Mrs. Russell Walcott of Winnetka, is chairman of the Chicago chapter.

Miss Elizabeth Wells Robertson of Ravinia gave a "Talk on Quilts, an American Art Expression" at the College club, Wednesday evening. She showed quilts which have been on exhibition at South Kensington museum, London.
