To Wish You A Merry Christmas!

CHRISTMAS AGAIN! The most joyous time of all the year. A time for happiness. A time for pleasure. A time for cheer.

Winnetka as a community has much to be merry about in this Yuletide Season. In every home there will be the gladness of Christmas—in some homes the joyousness of festivity; in some the cheer of remaining not forgotten by the busy, hurrying world.

To one and all the Winnetka Trust and Savings Bank extends best wishes for the season — and may yours be a Very Merry and Bountiful Christmas!

LEE SAYS:

CHRISTMAS candlelights
ARE gleaming and in the
GLOW of this Christmas
EVENING, retrospection
BRINGS bright reflections
OF THOSE happiest days at
CHRISTMAS when we were
KIDS, and along with all
THOSE wonderful memories
WE shall cherish and
TREASURE always these days
BEFORE Christmas here in
WINNETKA, when we stood
by
ASSISTING as She selected
HER gift for Him, and HE
HIS gift for Her, and
MOTHER and Father their
GIFTS for the children,
AND the Kiddies their
GIFTS for Mother and Dad,
AND it has all filled our
HEART with gladness to
SHARE this little part in
YOUR happiness, and we
THANK you for this genuine
PLEASURE, and our greatest
WISH is that these gifts
WILL give and keep giving
BOTH giver and recipient a
MERRY CHRISTMAS now,
and
THROUGHOUT the entire
NEW YEAR.
