

## FIREMEN'S BALL NEAR

**Winnetka Department Makes Arrangements for Annual Masquerade Dance to Be Held January 16**

Chief G. M. Hounen of the Winnetka Fire department this week announced the date of the annual Firemen's Masquerade dance as Saturday evening, January 16, beginning at 8 o'clock. As usual, prizes for the best costumes will be given, although the exact number of prizes has not yet been decided upon.

The music this year will be furnished by the Night Owls, an eight-piece orchestra composed mostly of New Trier high school students. This organization has been playing together for the past several months and is said to play a particularly excellent quality of dance music.

The event will be held at the Community House as in former years. There has been a firemen's dance held every year for so long that even the older members of the department cannot remember just when the custom began. In by-gone days the dance was held on an upper floor of the present old Village hall and then, as now, the residents turned out in large numbers for the event. Last year the capacity of the Community House was taxed to the utmost by the crowd of merrymakers and it is expected that this year all the available space on the first floor, except the gymnasium where the dancing will be held, will be needed for cloakroom space.

The proceeds from the dance go to the Fire department. All residents are urged to get their tickets early as it is predicted that this will be the best dance ever staged by the firemen and that the largest crowd ever seen in the Community House will be present. The department is working diligently on plans to make the evening a huge success.

## Peddler of "Moonshine" Taken by Local Police

Thomas Lowe, colored, 321 East Thirtieth street, Chicago, was arrested by Chief W. M. Peterson and Patrolman Frank Rayburn last Saturday night on charges of selling and delivering liquor. Lowe, who is said to have been selling "moonshine" to teamsters in the village for some time, was apprehended through the efforts of Earl Weinstock, who laid a trap for him. When arrested the man had in his possession a marked bill, which had been given him in payment for some liquor. His case will be heard Monday, December 28.

Mr. and Mrs. Laird Bell and their family of Hubbard Woods, left Wednesday to spend the holidays with Mr. Bell's father and mother, Mr. and Mrs. S. Bell of Winona, Minn.

starts  
Monday, December 28

# CHRISTMAS HERE AGAIN

Christmas—here again—would it not be well for all of us to look back over the year that is about to pass—could we have done better? Certainly! We have all made mistakes; if we did not make mistakes we would be perfect—and did you ever stop to think how "very lonesome" we would be if we were perfect? It is the trials, temptations and mistakes in life that make life worth living — makes us appreciate the worthwhile things we have done during the past year and look forward with pleasure to the worthwhile things we can do during "The New Year."

This Holiday Season affords us an opportunity to express the pleasure we have derived from our business relations with you. So on behalf of our entire organization we extend to you and yours our very best wishes for "A Merry Christmas and A Happy New Year"—A New Year that we hope will bring you happiness, health and prosperity. In this spirit our greeting comes to you, appreciating the relations of the past and looking forward to a continuation of pleasant associations in the days to come.

*Yours for service,*
