Another year is about to open with new hopes and a greater determination to serve the people of Winnetka.

WE WISH TO ANNOUNCE
that by January 1, 1926, through the completion of our new building, we will be able to accommodate forty additional cars for storage.

It is our earnest desire to hold and maintain the spirit and good will which this season and day inspires.

In soliciting your continued patronage and kindly feeling toward us, we extend to each and all of you the sincerest wishes for

A Very Merry Christmas
and
A Happy New Year
