North Shore Will Not Lose Mr. Foster, Yet

L. W. Foster, who had planned to discontinue his piano-tuning business on the north shore and make his home at Schoback Landing, New York, has decided to remain on the north shore and continue his business. Unforeseen circumstances have made it necessary that Mr. Foster remain in this vicinity indefinitely and he is prepared to take care of his large clientele without interruption, he asserts.

Mr. Foster has been engaged in the piano-tuning business in this vicinity some 30 or 40 years and is well known to hundreds of residents in all the north shore communities. Last winter he was severely injured when struck by an automobile, at Kenilworth, but he has for some time been able to be about and attend to his work.

Giannini, Hailed as Second Patti; Sings Here Jan. 8

Dusolina Giannini, dramatic soprano, hailed as a successor to the beloved Patti, will give a recital at New Trier high school Friday evening, January 8, under the auspices of the Winnetka Music club. Miss Giannini has just completed an extensive tour of Europe where she has been giving a series of concerts said to have been very successful. She has met with great favor wherever she has sung and recently, when she sang the title role in "Aida" she received 27 curtain calls. Members of the Music club urge that any who hold season tickets, but will be unable to attend this performance, turn in their tickets for the occasion, as many who want to attend have no season tickets and cannot gain admission otherwise.
