

Here Is a Set of Books  
That Should Be a Part of Every Home

A set of the Encyclopedia Britannica in the new form, arranged in a handsome case especially designed for it by a world famous cabinet maker. It is a "library" which everyone can read with real delight, for it is written in a readable and interesting style. The Britannica itself teaches you all you need to know about a subject in order to grasp it intelligently. Set sells complete with handsome bookcase for
