SANTA VISITS PARTY

Children of members of the Ash Street Circle were given a delightful holiday party by members of the Circle Tuesday, December 29, at the Community House. The party was held in the Neighborhood room and the program was furnished by a caller in the person of Santa Claus, himself, who had presents for all. Mrs. William J. Fischer, chairman, and Mrs. A. M. Kloefer, were in charge.

Dr. J. F. McClendon of the University of Minnesota came for New Year's and to spend four days with his sister, Mrs. John Marshall, of 1010 Pine street.

A group of Winnetkans gathered together New Year's eve for a jolly celebration of the holiday in the Austin Jenner garage at 1005 Hill road.

Mrs. Franklin Rudolph returned to her home at 745 Sheridan road Thursday, December 24, from an extended trip abroad.

The Wilmette and Winnetka Women's Christian Temperance Union will meet with Mrs. G. Nelson, 849 Elm street, Monday, January 4, at 2 o'clock.

Walter Spry Gives Lecture-Recital at Evanston January 11

Walter Spry, pianist, will give a lecture-recital before the University Guild January 11, at Harris hall, Northwestern university, taking for

his subject "The Pianist Composer." Mr. Spry is associated with the Columbia School of Music and is teaching every Wednesday in Winnetka, during the present school year. Being a resident of Evanston he is well known in musical circles in the university town and is popular as a recitalist in musicales. He is the type of American musician who has worked faithfully and successfully for the cause of good music. Not long ago he celebrated his twenty-fifth anniversary as a recitalist, playing a program of great composers he had heard. Among these were Brahms, Rubenstein, Saint-Saens, Leschetisky, Godowsky, Dohnanyi, MacDowell and John H. Carpenter.

Cabray Wortley, 565 Lincoln avenue, is home for the holidays. He is returning to Williams college, Williams-town, Mass., Monday, January 4.

COLD WAVES bring no discomfort to the home that is cozy, evenly heated with a

HARDINGE Oil Burner

When the mercury goes below the zero mark, the Hardinge gives you just the right degree of temperature for comfort in every room.

Set the thermostatic control—that's all. No further attention is necessary, whether you stay at home or leave the house for a day or longer.

Clean, convenient, economical—that's Hardinge operation. There's a neighbor near you who'll be glad to tell you how he likes his Hardinge installation.

Beauty Lies in Healthy EYES

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

Millions of women throughout the world promote EYE health and beauty with **MURINE**. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.

Our illustrated books on "Eye Care" or "Eye Beauty" are FREE on request.
