### ENTERTAIN FOR HOUSE GUEST

Mr. and Mrs. De Fores Custer, 1497 Asbury avenue, entertained 24 friends at bunco Wednesday evening in honor of their house guest, Mrs. E. Thayer Hemmick, of Springfield, who returned to her home this week. Friday Mr. and Mrs. Custer entertained eight guests at dinner for the latter's father, W. S. Hamm of Scott avenue, in celebration of his birthday.

### Church to Greet New Minister at Reception Jan. 13

By OBSERVER

The parish of the Winnetka Congregational church and all residents of the village are to be welcomed at Matz hall, in Community House, Wednesday evening, January 13, when "Fellowship Night" is designated as the spirit in which the Rev. and Mrs. Thomas A. Goodwin are to be greeted on their entrance into the work and fellowship of that church.

Mr. Goodwin comes as the third pastor of the Congregational church. He comes on an even footing with the Rev. James A. Richards and Dr. J. W. F. Davies. He comes counting on the loyalty and co-operation which these ministers have, and will continue to have.

The large committee in charge of Fellowship Night will offer a pleasant and informal manner of greeting the ministers and their wives; a unique and interesting program of music and other features of an agreeable social evening.

This occasion gives every one an opportunity to make or repeat the New Year greetings of goodwill, and it is hoped that Matz hall may be filled between 8 and 10:30 o'clock with "all sorts and conditions" of men and women. Of course, this means YOU!

### RESUMES CLASS WORK

Mrs. Maurice Lieber has a busy week starting classes again after the holidays. She will open two new classes at the Trades Union college in Chicago, and on Tuesday she will appear before the Chrysolite club of the South side. Friday she will be at the Austin North End club. She will also resume her work on the faculty of the National Kindergarten and Elementary college.

## Stewart-Warner

### Matched-Unit Radio

INSTRUMENT + TUBES + REPRODUCER + ACCESSORIES

We delight in demonstrating a Stewart-Warner Matched-Unit Radio to skeptics.

Our business thrives on comparisons; in fact we invite them.

Our greatest joy, however, is in hearing satisfied customers tell us why the Stewart-Warner MATCHING of Instrument, Reproducer, Tubes and Accessories, all to function in perfect unison, has brought them a complete satisfaction in radio entertainment beyond their fondest hopes.

May we demonstrate—right in your home? Just phone or drop in.
