2,347 Motor Cars Here in 1925, Records Show

Winnetka residents owned 2,347 motor cars during 1925, the annual report at the Village hall showed this week. That is an increase of 241 cars over the number owned in the village in 1924. The large majority of these cars were pleasure cars, and the number of cars is equal to one for every family in the village. New village license plates are now being issued at the Village hall. They are designed to serve as name plates as well as license plates and are of the same color as the state licenses so as to harmonize. Residents are urged to apply for their village license immediately.

The Foxdale Avenue circle will meet at the home of Mrs. G. T. Voorhees, 870 Foxdale avenue, on Tuesday, January 12, at 2 p. m.

To Migrate or to Hibernate is not so much a matter of dollars and cents these days as of choice.

Reckoning winter's heavy overhead and the dangers to health that follow in its wake, the net cost of a winter's migration to California, where accommodations are ample and reasonable, is hardly a dollar more.
