Feb. 1st

The Oilomatic can be installed in any type furnace or boiler.

If you want 70° during the day and 60° during the night, set the thermostat, that's all. It starts when needed and stops when the desired temperature is reached.

The cold weather will cause you no inconvenience. We can install this burner in such a short time, that your home will not have a chance to cool off, 3 hours is ample time for installation.

SHOW HISTORICAL FILMS

The "Yale Chronicle", a series of educational films dealing with the early history of America, and produced with minute care as to historical correctness is being produced from time to time at the North Shore Country Day school. The latest film shown dealt with the history of the Pilgrim settlement at Plymouth.

Alumnae Will Gather for Old Seminary Reunion

Monday, January 18, at the Fortnightly, the forty-fifth reunion of the alumnae of the old Dearborn seminary will take place, with a luncheon and program consisting chiefly of reminiscences.

The original site of the Dearborn seminary was at State and Washington street.

It is the oldest school in Chicago.

Among the Winnetka women attending as members of the alumnae association are Mrs. Robert Nicholas, who attended the seminary in its very early days, Mrs. Lucius Sherman, a student there in late years, and Mrs. William E. Elliott, Mrs. Raymond Durham and Mrs. Charles Spencer Williamson, (mother of Mrs. Carl Zeiss) who has been secretary of the association for many years past.

Junior Leaguers Plan Special Entertainment

The Evanston Junior league ball will be held at the Evanston Country club Tuesday evening, January 26. Mrs. Walter Rompel is chairman, Miss Marian Dawes is in charge of the entertainment, Mrs. Charles G. Dawes, of tickets, Miss Betty Sherman, refreshments, and Miss Harriet Thorp, flowers and cigarets.

Junior league members will provide special entertainment. Lous E. Tilden will play the accordion, and Horton Fall, III, will clog. Supper will be served.

C. OF C. MEETS MONDAY

The regular January meeting of the Winnetka Chamber of Commerce will be held at Community House Monday evening, January 18. The hour is 8:15 o'clock and Secretary B. G. Eberle's announcement of the session stresses business of urgent import.

ATTENTION! CAR OWNERS

New equipment having been installed, enables us to serve the car owner in every capacity of repairs. We are offering you a service in repair work that is complete in every detail and we will back up to the limit all jobs, no matter how large or small.

BATTERY SERVICE

To those unfamiliar with our battery service we wish to say that we can by far exceed any recommendation given us.
