In Scoutdom

Troop I started off with a bang and a knot-tying contest which was run this week by Tom Boal. The contest was won by Fred Rummier, the second place was tied by Charles Eastman and Bob Reschke, and the third was also tied by Bud Fairman and Steve Windes. The Blackhawk Patrol gave a stunt consisting of several very good stories read by Steve Windes.

Scoutmaster Mills of Troop III presented the patrols in his troop with patrol flags, and the patrol leaders with Scout whistles. Troop III then went into the gymnasium where "Chief" presented the troop with a beautiful troop flag in behalf of Scoutmaster Mills. The patrols were then sent out on an observation tour through the village to look for certain things. After reporting on what was observed, it was found that Ralph Johansen's patrol had scored the highest number of points. The troop was assigned to bring knives and wood to the next Scout meeting where the Scouts will make Scout staffs. Each Scout is to learn the international code before the next meeting.

Dr. Eisenbrand gave instructions to Troop I for their next meeting, ordering that each Scout have a Triangle bandage in order that they might be instructed in its use. Allen Stults will demonstrate the sling for a broken arm; Hugo Hartman will demonstrate the hand bandage, and Dan Wacks will demonstrate the head bandage. There will be instructions and practice in the semaphore code.

From 8:15 until 8:45 o'clock on the last meeting, Troops I, II and III held some very exciting games in the gym. An initiation was held in the Boy Scout Ceremonial room in which eight tenderfeet, and eight second class

Scouts were initiated. The tenderfeet are as follows: William Brackett of Troop III; Fred Clerk of Troop II; Robert Ickes of Troop II; Louis Dean of Troop III; Ray Davis of Troop III, and Jimmy Alsdorf of Troop I. The second class Scouts who were initiated are: Dumont Mills of Troop I; William Elliott of Troop I; Fred Fairman of Troop I; Allen Stults and Ralph Frieter of Troop III; Gordon Robinson of Troop II; Hugo Hartman of Troop I, and Philip Swabacker of Troop III.

ARRIVE FOR WEDDING

Mr. and Mrs. Albert Gleaves Berry, Jr., and their baby are coming from Los Angeles for an extended stay with Mrs. Berry's father and mother, Dr. and Mrs. Frank Blatchford, of 605 Arbor Vitae road. They are arriving Saturday, January 23, in time for Miss Margaret Mercer's wedding.
