Evanston Legion Sponsors Performance of "Cap'n Bobs," to Be Staged by Abram Mendenhall

"Cap'n Bobs," a light opera by Abram Mendenhall, directed by Prof. Loyal Phillips Shawe of the Northwestern university School of Music, will be presented under auspices of Evanston Post, No. 42, American Legion, January 20, 21 and 22, at the Evanston Woman's club.

This will be the annual benefit performance promoted by the post for welfare work among disabled veterans in and about Evanston. Last year the sum raised by the presentation of "Larkie," also by Mr. Mendenhall, was devoted to relieving pressing want in Evanston and vicinity, in the tornado area and in France, and for the entertainment of the boys in the government hospital at the Great Lakes naval training station. This latter work will be continued when the service fund is replenished by this season's performance, the entertainments greatly needed and appreciated by the boys in the hospital.

In the writing of "Cap'n Bobs," Mr. Mendenhall has incorporated selections from seven of the best known Sullivan operas, combining them with an original story. He has chosen from "Pinafore," "The Pirates of Penzance," "The Mikado" and others equally known and equally popular among lovers of light opera music. The tickets sale is in charge of W. B. Taylor and Louis Lazar. Patrons and Patronesses include the following:
