### Herbert E. Hyde to Give Organ Recital

One of the greatest compositions ever penned for the organ—the magnificent setting of the 94th Psalm—is the feature of the fourth program of the North Shore Community Organ series to be given Tuesday, January 19, at 8 o'clock, at St. Luke's church, Evanston.

Other numbers on this program, which will be played by Herbert E. Hyde, are the "Concert Overture C Minor" and "Allegretto Grazioso" by Alfred Hollins, the famous blind organist of England; "Two Oriental Sketches" by Bird, a young American composer; "Salut d'Amour" (Elgar), "Cradle Song" (Grieg), and the brilliant "Finale" from Vierne's First Symphony.

The artists for the February concert given February 16, at St. Luke's is Leo Sowerby, the distinguished organist and composer.

The public is cordially invited.

F. A. Troy of the Orrington hotel, formerly of Wilmette, left Sunday to make his permanent home in New York City. Mrs. Troy and their son, Charles, will follow him at the end of the school year.

### Finds Fish Creek and Ephraim Busy for Next Season

Charles A. Kinney has just returned from a three-days trip to Adventure Island boys' camp near Fish Creek, Wis., where he has met men at work filling the camp ice-house and getting out timber for building use. Mr. Kinney reports unusual activity in the Fish Creek and Ephraim region in preparation for the coming season. At Ephraim an 800 foot dock and breakwater is being planned, which, when completed, will provide one of the best harbors on Green Bay for small craft. On Chamber's Island the new owner is having a dock built into water deep enough to float the largest steamers on the Lakes. Although his plans for developing the island have not been made public it is generally understood that the new owner plans to erect a large hotel this coming spring as a nucleus for making the island into an important summer resort.

During the past two years every island in the region has been sold and improved with permanent summer houses by their owners. At the present time there are six summer camps in the vicinity of Fish Creek, patronized very largely by north shore boys and girls. Each year a larger number of parents spend all, or part, of the summer at the near-by resorts, attracted by the beauty and charm of the country and its accessibility over paved highways from Chicago. During the past summer the records of the Sturgeon Bay bridge showed an increase of 50 percent in summer visitors entering Door county over any previous summer.

### Chicago Opera Company Plans Touring Season

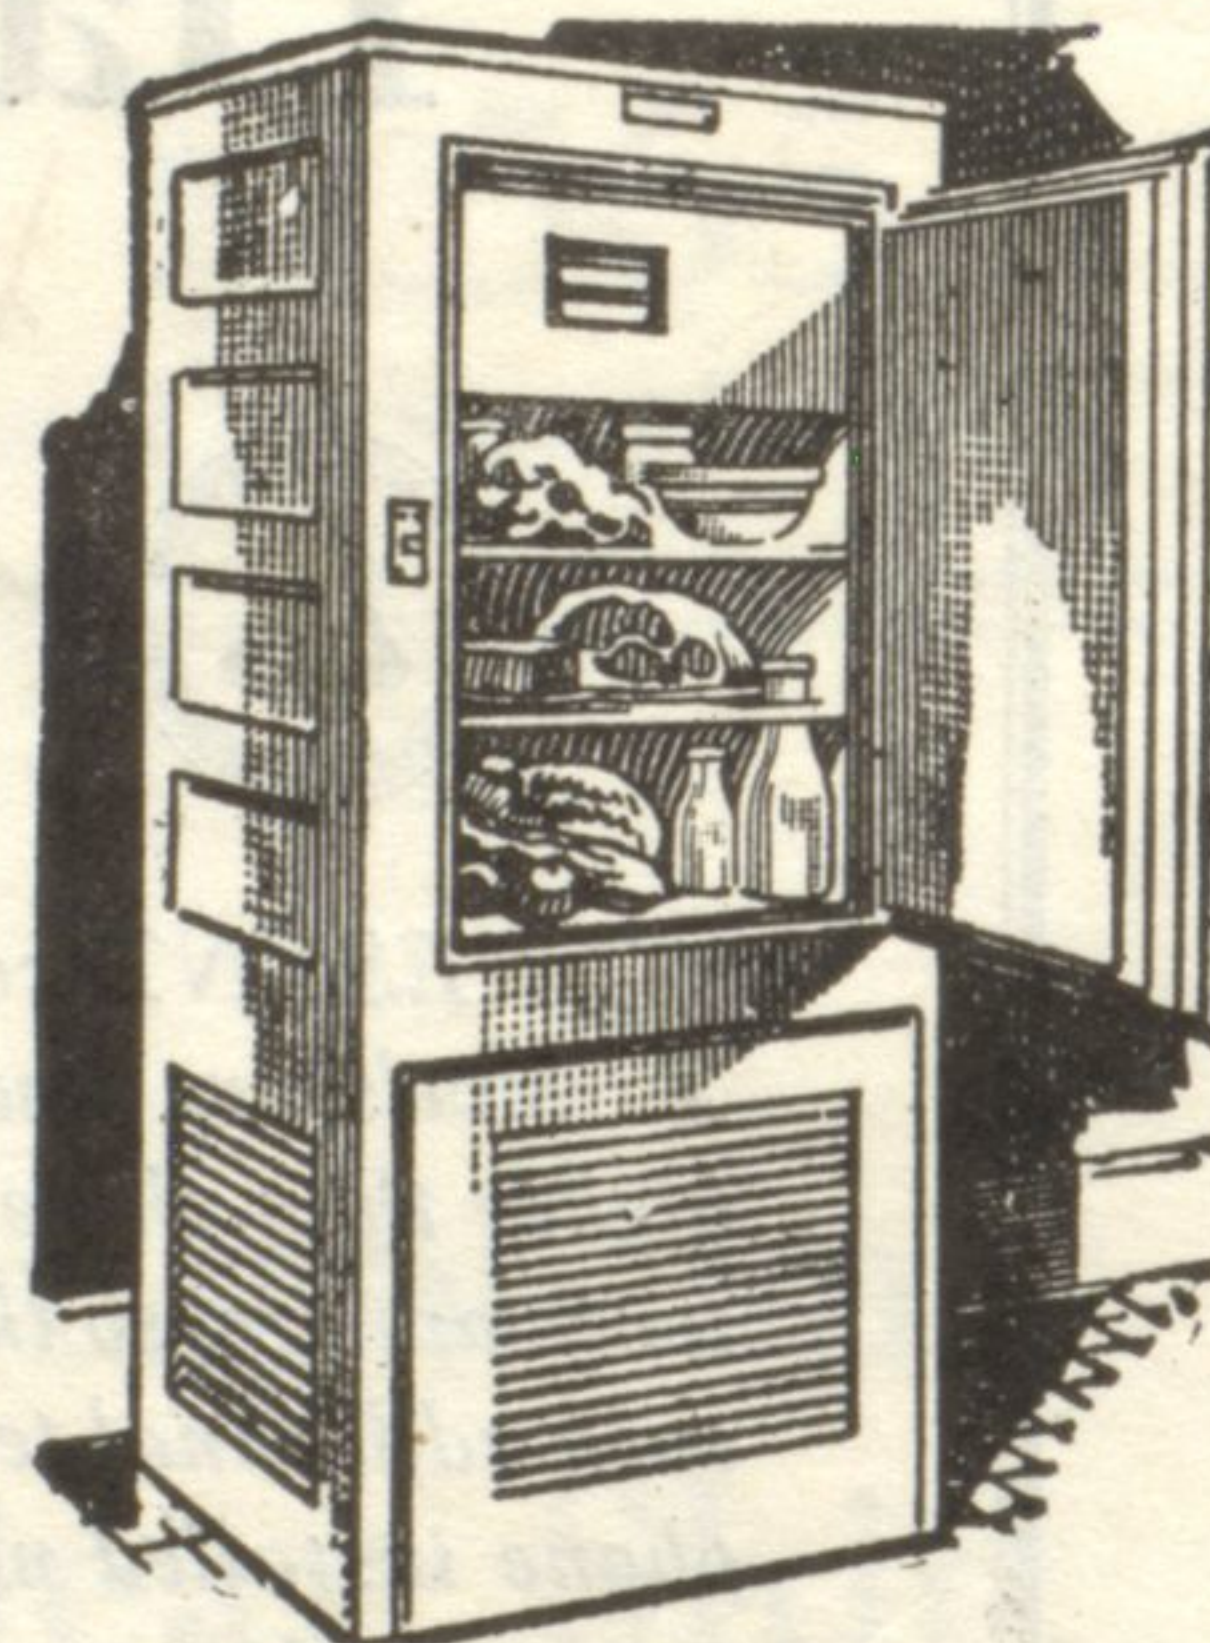

The current season of the Chicago Civic Opera company will draw to a close on Saturday, Jan. 23, after which that great lyric organization will enter upon a tour of colossal proportions. The traveling activities will open in Boston Monday, January 25. After visiting a number of the leading cities of the East the company will sing a ten-day engagement at Miami, Florida. The principal cities of the South will be visited en route back to Chicago. No far-western territory will be covered as in former years.

#### CIRCLE HOSTESS

Mrs. Mary J. Coulman of 434 Provident avenue very delightfully entertained the Oak Street circle Tuesday afternoon. After the exchange of White Elephant packages, an interesting reading was given by Mrs. Charles Karnopp. Mrs. Coulman was assisted by her neices, Miss Alice Wayman of Rogers Park, and Miss Olive Wayman of Hubbard Woods.
