## Local Men Return From Fraternity Conference

Charles J. Eastman, 984 Cherry street, Winnetka, has returned from Washington where he attended a meeting of the officers and directors of the Phi Gamma Delta fraternity of which President Coolidge and his son John were both members at Amherst college. Mr. Eastman is the graduate secretary of the fraternity. As a Greek letter society, Phi Gamma Delta is one of the oldest and best known in the college world, having chapters at most of the leading institutions in the country. It is represented at nine of the colleges in the Big Ten, Northwestern being the exception. More than twelve north shore men are members of the fraternity.

Mrs. Harry W. Mons of 157 Woodstock avenue, Kenilworth, entertained the members of the fifth and second divisions of the Wilmette Methodist Episcopal church at an all-day meeting and luncheon Thursday.

## Beauty Lies in Healthy EYES

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

Millions of women throughout the world promote EYE health and beauty with **Murine**. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.

Our illustrated books on "Eye Care" or "Eye Beauty" are FREE on request.

## County Administration Remains Within Budget

At a special meeting called before the Finance committee to hear a tabulated report made by Jacob Lindheimer, assistant to County treasurer, P. J. Carr, the statement was made that for the first time in the history of Cook county, under the direction of President Anton J. Cermak, the administration of Cook county affairs has been held within the budget regulations and due to economies, efficiencies, etc., \$1,741,000 has been recorded on the credit side of the county achievements rather than carrying a debit into the next budget.

In round figures the story of the achievement is revealed in the following:

Bills accrued to be paid and not carried into the next budget, \$886,000;

Tax anticipation warrants retired, \$783,000;

Paid over to the Board of Education by Treasurer under new law which would have accrued to county funds, \$107,000;

Approximate amount to be turned over to county and village schools under new law, \$75,000.

Total, \$1,741,000.
