Camp Fire Embers

All the Camp Fire groups met together as usual in Community House last Thursday afternoon for a few minutes of contests before holding their separate group meetings. The Litahni girls (Miss Spangler's group) challenged the Untalati girls (Mrs. John Marshall's group) to a knot tying contest. The Untalati girls walked away with the honors, Janet Marshall winning the highest rank for the group. Following this the groups took up their special work.

The Wakantahi group (Mrs. George Eisenbrand, guardian) held a ceremonial meeting in the Camp Fire room and formally received into their group four new members—Virginia Lansing, Dorothy Prouty, Ruth Long and June Heyda. Mrs. Wortley conducted the ceremonial, and gave a council talk on "The Spirit of the Fire," applying it to the seven laws of Camp Fire.

The Tatapochon group has had a change in guardians. Miss Vivian Ratcliffe who has had the group is

obliged to give it up owing to work she has taken at Chicago university. Miss Dorothy Scharf has taken her place as leader of this group.

The Untalati group (Mrs. John Marshall, guardian) held a very successful supper party and dance at Community House, Saturday evening, January 30. Sixteen young people were present. The girls planned the meal, purchased the food and did the cooking and serving themselves.

Mrs. J. D. Pierce, a former Winnetka guardian, is taking Miss Judith Walsh's group for six weeks during her absence in California. Miss Rowe Abplanalp is to assist Mrs. Marshall with her group during the year.

Perry Lieber, son of Mr. and Mrs. Maurice H. Lieber, 468 Ridge avenue, will return to the University of Illinois Sunday evening after spending his short mid-semester vacation at the home of his parents.

The Tracy Buckingham, 838 Locust street, are completing an attractive home in Lake Forest which they, with their small son, George T. Buckingham, III, will occupy in the early spring. They return from the East this week.

To look her beautiful best is every woman's duty. The poet or wise man who said that was right. The smartly-dressed woman needs the "simplicity" and the "lines" that are found at
