AUBURN

QUALITY

No victory remains won. New champions make new records. For 1926 Auburn leads. Auburn is not content to remain a "fine old name." It is a fine new value. Instead of trading on a past quality reputation and producing a smaller, cheaper built car, Auburn increases values in every way—larger motors, heavier frames, finer bodies! It beats anything on the road today. Proof? Drive it! If it does not sell itself, you will not be asked to buy.
