New Dry Cleaning Firm Opens Doors Here Next Monday

The American Dry Cleaning company, which will open its doors for business next Monday morning, at 541 Chestnut street, is the latest addition to the rapidly growing business circles of Winnetka. Heading this new firm is one who is well known to people of Winnetka and the north shore, Elsie M. LeComte, formerly with the Parisian cleaners. Associated with Mrs. LeComte will be B. A. Mazur, who, for a number of years has been associated with one of the largest tailoring firms in Chicago. The business of the American Dry Cleaning company, will, as the name implies, include dry cleaning in all of its various phases, and in addition, tailoring of men's clothing, also alterations and repairing of all kinds. The office of the new company is being equipped with the nicest and most up-to-date furniture and Miss Grace Herbst of the Gift Shop is furnishing the decorations. Mrs. LeComte is most enthusiastic regarding the future outlook for the new firm, as she has already received many expressions of well wishes from her numerous friends and assurances of their cooperation. Day pressing service, prompt calling and delivery and close attention to the various details which are so essential to make this particular business successful, will feature the policies of the new firm. Garments, blankets, curtains and rugs are all included in the various lines of dry cleaning work which the company will be especially equipped to render, it is explained. Prompt and up-to-date service in dyeing will also be one of the features.

The North Shore Dancing club will give a dinner-dance at the Winnetka Woman's club on Saturday evening, February 20.

Higher Realty Values Affect Property Suit

A jury returned a verdict Thursday, February 4 for \$10,623 in a law suit before Judge Hurley in the Superior court of Cook county, the litigants being Herbert A. Baker and Fred A. Ellis, both of Winnetka. The suit involved the question of rights arising out of a lease and option respecting the property at 1071 Vine street, Winnetka.

Baker, the lessee and optionee charged that Ellis, the lessor and optionor, refused to comply with the terms of the contract to sell the property to him. An interesting feature of the case was the fact that Ellis held the property in joint tenancy with his wife, but the outcome of the dispute made him responsible for damages for the obligation he incurred in making a contract to convey even though his joint tenant was not an executing party to the lease and option.

The substantial sum allowed in damages was due to the fact the lease and option was made in 1921 and was breached in the Spring of 1924 when the real estate had materially increased in value.

Mr. Baker, the plaintiff, was represented by Lloyd D. Heth and Andrew D. Collins of Heth, Lister and Collins, attorneys, and Mr. Ellis by attorneys Samuel B. Hill and Preston Boyden of the firm of Henry S. Robbins and Taylor, Miller, Dickinson and Smith.
