

# PROFITS IN SILVER FOXES

EXTRACTS FROM

United States Department of Agriculture, Washington, D. C.  
Department Bulletin No. 1151

The production of silver foxes has proved to be most profitable when conscientiously and intelligently managed. A silver-fox pelt of high quality, taken in the wild, has always been and still is a very rare article.

A consignment of 25 choice skins sent to London brought \$34,175, an average of \$1,367 per skin, the top prices for the choicest pelts being \$2,700, \$2,650, and \$2,500.
