

**Sunday Club News**

by H. H.

Fortunate indeed were the 40 Winnetka people who heard Miss Lillian Herstein last Sunday at the Sunday Evening club. Miss Herstein is at present a member of the faculty at Crane Junior college. She spoke on the subject: "Workers' Education," illustrating her talk from her personal experiences as an instructor in the Bryn Mawr school for industrial girls. Each summer, 100 industrial girls, representing cities all over the United States, meet at Bryn Mawr college for an eight-week course. This course is designed to give girls facts which will enable them to reach more intelligent solutions to labor questions. Classes are conducted most informally, and the discussion method is largely used. Each girl is required to take one course in Economics and one in English Composition and Literature. She is then allowed one elective. It is interesting to note that courses in science, poetry, and art seem to be the most popular. Miss Herstein related many unusual class-room episodes in a most graphic way. The club has never had a more fascinating meeting.

To Winnetka people, Dr. J. W. F. "Chief" Davies needs no introduction. "Home Missions" is to be the subject of the next meeting, and Dr. Davies the speaker. Don't miss it, for it promises to be as good a meeting as the last one. Supper, and a fire, will be waiting for you in the Camp Fire room, next Sunday at 6:30 o'clock.

Mr. and Mrs. Robert O. Johnson of Cherry street left Friday for a ten day trip in the South. They will attend the Mardi Gras in New Orleans, and on their return will stop at Nashville and Charlotte, N. C., for a brief stay.

**Wilmette Youth Achieves Honor Rank at Illinois**

Robert Garretson, son of Mr. and Mrs. G. R. Garretson of Wilmette, a former student at New Trier high school, has made the highest scholarship record of any of the freshmen in his fraternity, the Theta Delta Chi. He won the 4.5 which entitles him to the honorary fraternity for men and the pre-law fraternity. He is the only student from New Trier ever to achieve the record at the University of Illinois. Robert returned to Illinois this week after spending his mid-semester vacation at home.

Miss Margaret Diettrich of 877 Elm street has returned from a five weeks' vacation in the west. She visited friends in San Francisco, Salt Lake City, and Los Angeles and enjoyed some very delightful motor trips in California.

**Fire Fire Fire**

Mac Draft, professional chimney sweep, will be in Wilmette to sweep residence chimneys and clean furnaces for one week or longer if business warrants. Will make any chimney and furnace work like new and prove it. Save you 20% of fuel and prevent a serious fire. For prompt attention leave your order at the Wilmette Fire Station.
