Vol. I

Winnetka, Ill.

No. 6

Business is like a wheelbarrow. It won't go unless you push it.

The N. P. Severin Co. will soon be starting building operations on the Melvin Stone estate in Glencoe for Mr. Rothchild. These are to be quite extensive, including residence, garage, greenhouse, swimming pool, etc. Seven buildings in all, and will require something over one year to complete.

"Next to the dime," remarks L. A. Vollmann "the hardest thing to keep is fifteen cents."

INSULATION

There's no guess-work about Cabot's Quilt. It actually cuts down the cost of heating. It keeps the heat in and the cold out. No home should be built without Cabot's Quilt Insulation.

The children and the radio rarely behave nicely when there's company.

What is a home without a garage? Would you be interested in plans and specifications? If you need a new garage, take this little tip. See Us.

A lady who lives near Winnetka tells us that her hens lay such large eggs that it takes only eight to make a dozen.

You can accomplish a lot of things with Wall Board or Celotex. We handle both, in all sizes.

Tourist.—"Not much going on here, is there?"

Native.—"Nope nuthin' but the interest on the mortgages."

Local Youth Mid-Year Graduate at U. of I.

Of the 150 degrees which were granted by the University of Illinois at the close of the first semester of the present academic year, one of them was awarded to A. D. Rich, 1409 Scott avenue.

The majority of the degrees annually awarded by the University are given at the June commencement, but there are always a few who complete their work either at the end of the first semester and receive their degrees at this time, or those who complete their work during the summer session. These latter get their degrees in October.

Country Day and Skokie See-Saw Cage Victories

The North Shore Boys' heavy-weight team met a picked team from Skokie school last Friday, the former winning 14 to 4. On the same date the middleweights from Skokie won from the North Shore in an interesting game, 10 to 8. On the previous day a close score of 3 to 2 was recorded in favor of the North Shore inexperienced lightweights in their game with the Skokie experienced lightweights. The two games last week between the girls' teams were both victories for the North Shore team, the Seventh and Eighth grade lightweights from North Shore defeating their opponents, 12 to 9, while a much closer score, 13 to 12 was recorded in the match between the seventh and eighth grade heavyweights.

Mr. and Mrs. L. Moen of 186 Scott avenue, Glencoe, returned last week from a western trip. They stayed for sometime in Castle Hot Springs, Ariz., and then spent several weeks motor-ing in southern California. About March 1, they are leaving home again, to go to New York City.

Mrs. E. C. Weissenberg of 965 Elm street entertained at luncheon on Thursday, February 25, for Mrs. Robert Perine of Austin, Ill.
