Circle Will Give Dance at
Community House Today

The Friendship circle, an organization composed of girls working in homes along the north shore, will give one of their peppy dances at the Community House this evening at 8:30 o'clock. There will be excellent music for this dance and a large attendance is expected. The Circle has staged several very successful dances during the past season and promises that this will be more enjoyable than have any of the previous ones.

In commenting on tonight's dance, leaders in the circle wished it emphasized that the organization, which meets every Tuesday evening at Community House for a few hours of gymnasium work and a social time, invites into its membership all young women employed in homes on the north shore. Its membership is taken from every village in New Trier.
