

# A SERVICE STATION

where PROMPTNESS is a CREED  
and ACCURACY is a LAW

Reliable Local Service  
is the most important  
factor to be considered

When you purchase a CHRYSLER car from us, you buy more than an automobile—you buy *Courteous—Prompt and Efficient Service* which continues during the life of your car.

Before you place your order you owe it to yourself to investigate this often neglected phase of purchase of a motor car.
