

### TAKE COLLEGE COURSE

#### North Shore Women Enroll in Mid-Year Class at Kindergarten and Elementary College

Miss Hazel Knox, 1046 Spruce street, Winnetka, Miss Rosalie Budinger, 614 Maple avenue, Wilmette, and Mrs. R. N. McConnell, Jr., 507 Lake avenue, Wilmette, are members of the mid-year class of thirty-six students enrolled in the National Kindergarten and Elementary college this semester.

One of the most interesting members of the class is Miss Elizabeth Clarke of Bulgaria, head of the American Kindergarten and Elementary school, Sophia. The school originated in a kindergarten opened in 1900 by Miss Clarke under the American Board of Foreign Missions of the Congregational church, in an effort to bring the benefits of modern education to the children of Bulgaria. Through Miss Clarke's indomitable perseverance the school has grown to include the elementary grades and a training school for kindergarten and elementary teachers, graduates of which are given the highest recognition by the Bulgarian government.

The kindergarten building, planned for fifty children, is now accommodating eighty in the kindergarten and an equal number in the grades, together with the students in the training school. The city has made a grant of land for a new school, the government has donated wood, and funds have been secured to partially complete the building. Construction is now under way for a much larger social center or "Community Fireside" as it is called there, which will include, in addition to the school, a health center for the children, cafeteria, domestic science department, residence for the missionary and assistant and a hostel on the up-

per floors for university students and working girls.

Miss Clarke was born in Bulgaria, but received her education in America at Mt. Holyoke, Symonds Kindergarten Training School and the National Kindergarten and Elementary college. Miss Clarke is in America on a year's furlough and expects to visit schools in the East and to attend Columbia university this summer. Miss Penka Kassabova, a graduate of the American training school in Sophia, is also attending the National Kindergarten and Elementary college this year, and will return to Sophia after finishing her course here.

Mr. and Mrs. Frederick W. Copeland of 1082 Spruce street are sailing for Europe Saturday, March 6. Their baby son, Frederick, will stay in Chicago with Mrs. Copeland's mother, Mrs. Packard, for two months and with his grandmother, Mrs. F. K. Copeland, for the month of May.

Mrs. C. T. Northrop of 1144 North avenue has been ill for two weeks and is still confined to her home.

### LEAVING FOR CRUISE

Mr. and Mrs. Randolph Buck of Scott avenue are leaving for New Orleans Monday, March 8. From that city they will take the steamer for a cruise to Honduras, stopping en route at Havana, Panama, and various points of interest along the Central American coast. They expect to be away about a month.

Helen Fulton, daughter of Mr. and Mrs. Frank D. Fulton, 884 Hill road, was hostess to 40 of her little friends at a 1 o'clock luncheon and bunco party Saturday, February 27, at her home. Bright spring colors were used in attractive decoration of the tables.

Mrs. Mancel T. Clark of 76 Locust road, and her son, Mancel Clark, Jr., are sojourning in Augusta, Ga.

## Sit Behind the Wheel of this New Cadillac—Drive it Yourself

Why not do it tomorrow morning—stop in at our sales rooms—and try out one of these New and Greater Cadillacs yourself?

Someone has rightly said, "your judgment is no better than your information." And, since this New Cadillac surpasses any previous Cadillac in every respect, you cannot correctly judge it from previous experience or knowledge.

First hand information, secured by learning the "feel" of this thrilling, smooth, comfortable car behind its steering wheel, is the only information you can afford to rely upon.

You assume no obligation to buy when you take a trial ride in the New Cadillac. We shall be pleased to have you drive it, even though you are not considering the purchase of a new motor car.

### Planned Excellence

THE FACT that every-thing that is served to you at the Central Cafeteria is so supremely good is not a matter of chance. The minutest details are so carefully planned each day that no room is left for doubt.

You can prove it to yourself any time you come—for luncheon, for week-day dinner, or for our faultlessly served Sunday dinner.

Sundays  
12 to 5
