

FREE Insurance

policy with every fur-
niture purchase of
\$100 or more

*Effective at once S. Rosenbaum Co. will
give free of charge with every
purchase of \$100 or more*

an insurance policy covering the furniture purchased. The life of
the policy is three years.

This is another forward step along the progressive lines the S. Rosen-
baum company has followed since coming to Evanston and we trust
it will find appreciation among furniture purchasers on the North Shore.

Those about to furnish a new home will find this not only a great
convenience but a decided saving as well, while ALL purchasers will
find the plan a most acceptable one.

Policies will be placed through the agency of John
A. Kappelman.
