### Calls Voters' League Perfect Organization

"The League of Women Voters is the most perfect organization for women in the country" declared the Rev. J. Reiner, Prefect of Studies at Loyola university, in a sermon at the Sacred Heart church at Hubbard Woods this week. The subject of Father Reiner's sermon was "Glory to God in the Highest and Peace on Earth to Men of Good Will." ### Indian Hill Group Will Stage Big Radio Party

The Edgewater Glee club, a male chorus of 40 voices, provided the entertainment at the meeting of the Indian Hill Improvement association, held at New Trier High school last Monday evening. Following an important business meeting, at which the matter of the zoning of the Manus Indian Hill subdivision was discussed, the chorus gave a long program, including solos, quartets, and full chorus number. In spite of the cold weather a large crowd attended the meeting. The next meeting of the organization will be held on Monday, April 5, when a "radio party supreme" will be staged. Members of the entertainment committee of the association say that this will be the largest and the best radio show that has ever appeared anywhere on the north shore.
