

### GADDING WINNETKANS SLOW UP CENTER FUND

**Householders Are Scattered Far  
and Wide at This Season;  
However, Fund Grows**

Gadding residents are hard to find. Canvassers to provide Community House with maintenance funds for another year's work say this is the gaddin'est village they know of. Two, three, or even five calls have failed to locate neighbors who are popularly supposed to "reside" here.

Florida, California, Europe, Panama, and Kalamazoo, Kansas City and Kenilworth are keeping the chary Winnetkan from answering his front door bell when the Community House canvasser calls.

Nevertheless, the fund is growing. The personal work of the finance committee audit deputies is nearly over. Absentees will be reminded of their appointments by mail.
