

NEW TRIER SETS NEW BASKETBALL RECORD

Remarkable Achievement of North Shore Quintets Is Talk of Middle West

Hats off to New Trier!

New Trier High school's heavy and lightweight basketball squads, contenders for sectional honors in the tournament to be played this week-end at Joliet, have achieved the most remarkable record ever established in the Chicago Suburban league. Both teams carried off the championship in the Suburban league. In the District tournament, staged last week-end, New Trier's entry took first honors with comparative ease, thereby establishing still another record, since it was the first time in the history of the league that the team winning the league championship also took the district honors.

What makes New Trier's record the more laudable is that the teams were almost entirely new at the outset of the season, only one man having been a hold-over from the previous year.

Not a little of the glory for this unprecedented success of the north shore quintets attaches to the well known Coach W. L. "Duke" Childs, who is also generalissimo of all athletic activity at the school. Duke has turned out many winning combinations at New Trier, but this year's record gives him a tough target to shoot at in the future, since it is about as perfect an accomplishment as one could expect.

New Trier won the last seventeen games played, and lost only two games all season: The record to date is as follows:

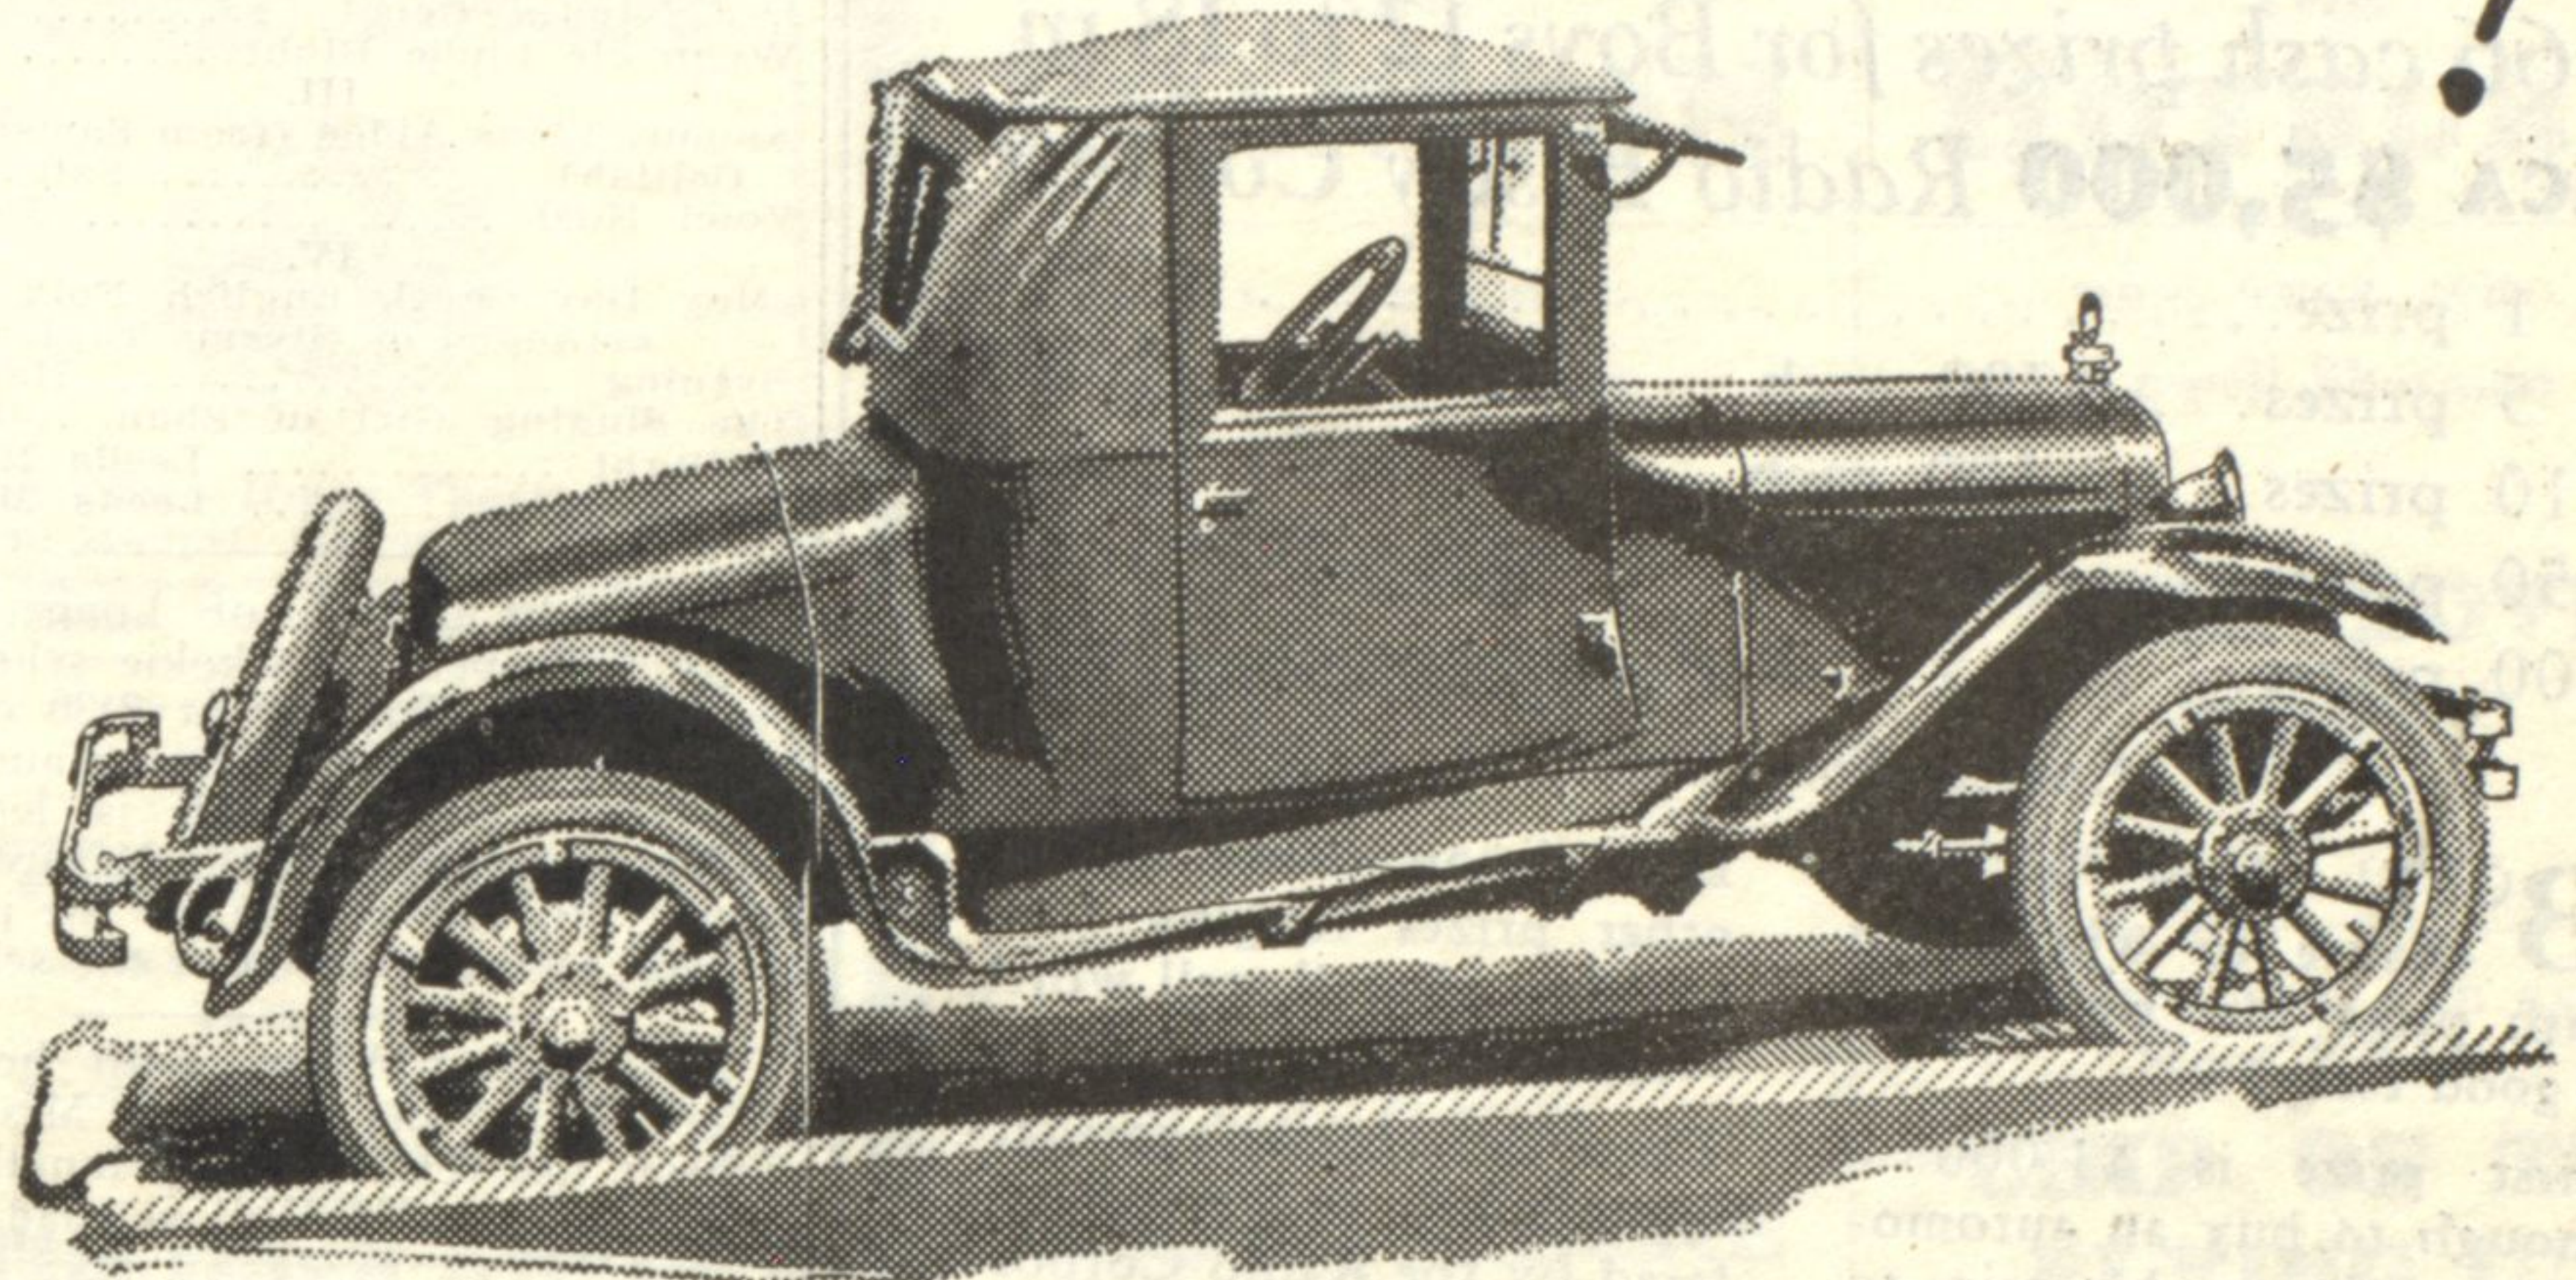

- February 5—New Trier 25, Austin 16.
- February 12—New Trier 21, Lake View 15.
- December 26—New Trier 19, Hyde Park 20 (champions of Chicago).
- December 31—New Trier 18, Columbus, Ohio, 24 (winners 3 place Ohio State Champ. 1925 with every man back).
- January 2—New Trier 30, Elgin, Ill., 28 (State champions).
- January 9—New Trier 23, Morton 17.
- January 16—New Trier 28, Oak Park 23.
- January 18—New Trier 41, Riverside 15.
- January 23—New Trier 37, Morton 29.
- January 26—New Trier 39, Deerfield 16.
- January 29—New Trier 21, Evanston 16.
- February 5—New Trier 39, Riverside 18.
- February 6—New Trier 30, Rockford 12.
- February 12—New Trier 32, Oak Park 27.
- February 16—New Trier 23, Deerfield 6.
- February 19—New Trier 26, Benton Harbor, Mich., 10 (one of the best teams in Michigan).
- February 26—New Trier 24, Evanston 15.
- March 4—New Trier 21, Deerfield 13.
- March 5—New Trier 22, Waukegan 13 (winners 1925 District Tournament).
- March 6—New Trier 27, Hinsdale 19.
- March 6—New Trier 24, Evanston 14.
- Final game 1926 District Tournament. Total score—New Trier, 588; opponents, 392.

Alexander Dean Accepts Post at Indianapolis

Alexander Dean, director of dramatics in the School of Speech at Northwestern university, and also director of the North Shore Theatre Guild, with headquarters in Winnetka, and which recently presented "The Duenna" along the north shore, has resigned from Northwestern university, to become manager of the Indianapolis company of the Stuart-Walker Players and will leave on April 1. The Stuart-Walker players is one of the foremost stock companies of America. Many north shore dramatic activities feel keenly Mr. Dean's departure.

DODGE BROTHERS, INC.

Over a Cliff in this STEEL BODY without injuring the DRIVER!

A careless driver . . . A triple somersault over a cliff . . . and this is the car—a Dodge Brothers all steel safety car.

A triple somersault over a cliff with the car you see in this picture! Such was the experience of its owner, who came through the fall uninjured.

After an hour of repair work, he drove the car from Montana to Minneapolis—a more sensible driver and much wiser.

All steel construction saved his life, as it has saved many other lives in the past, and will save thousands more in the future

Dodge Brothers print this advertisement because they believe motorists are entitled to all steel safety and should insist upon it.

That's why Dodge Brothers introduced all steel construction more than eleven years ago—and recently announced additional all steel safety features.

The streets are swarming with 20,000,000 motor cars—millions more are on the way.

Safety is the issue. Armor yourself and your family with steel.

Dodge Brothers Motor Cars—both open and closed—are all steel in the strictest sense of the term. Steel reinforced by steel—framed, braced and buttressed by steel—with all seams solidly and permanently welded together by electricity.

Slim steel pillars replace the old bulky wooden corner posts—permitting unparalleled driving vision—a safety feature of the first importance.

Compare such bodies with the usual wood, or wood-and-metal body, and you will be astonished that every automobile builder has not adopted this advanced safety construction.

Remember, also, that safety is the watchword of Dodge Brothers construction throughout, as witnessed by Dodge Brothers exceptionally large, quick-action brakes, and the exceptional ruggedness and dependability of Dodge Brothers axles, frames, steering parts, and other vital units.

This car will continue to be a "four".
