### All-Outdoor Nature Exhibit to Attract North Shore Groups

Under the auspices of the Illinois Wild Flower Preservation society, the Chicago Woman's club, of which Mrs. Harold Ickes, is president, and the Illinois Federation of Women's club, an all-outdoor nature exhibition will be held at the Davis store from March 15-20 inclusive. Birds, butterflies, wild flowers, trees and children's products developed in playgrounds, parks, and schools, will be displayed.

Illustrated lectures at 11 in the morning and 2 in the afternoon, and nature study conferences at 4:14 in the afternoon, will constitute the general program. On March 18, there will be an out of doors conversation luncheon at 1:15 in the tea room of the Davis store. Mrs. Theron Colton is chairman.

The exhibition is creating keen interest among school children, it is stated, and a large delegation from the north shore is planning to attend in groups. Mrs. Edgar Foster Alden of Winnetka will be on the program as a representative of the Southern Woman's club. She will give a talk on "Trees."

### "Divine Originality," Sunday Sermon Subject

"Divine Originality" will be the sermon subject upon which Rev. James Austin Richards will discourse at the 11 o'clock services at the Winnetka Congregational church, Sunday. Special music for this service is announced, as follows:

Organ prelude, "Adoration," from third sonata—Becker.

Anthem, "Holy Art Thou"—Handel. Offertory anthem, "A Song in the Night"—Woodman.

Organ postlude, "Andante Maestoso," from third sonata—Becker.

Processional hymn, No. 196, "Jerusalem the Golden."

### OFFER FLAG AWARD IN VOTING COMPETITION

(Continued from page 3)

their duty at the polls and the League feels that it is only through a government so controlled, that its object can be accomplished, and for this reason, it is offering to the successful city or village, namely: Wilmette, Kenilworth, Winnetka or Glencoe, the flag and standard above mentioned.

#### Presidents to be Judges

"It is the intention that the winning village or city shall have possession of the flag and standard and that a pennant shall be attached with the name of the village and the date of the election at which it is won. That at the next primary, the flag shall again be contended for and the winning village or city shall attach its pennant and have possession until the next primary. That by the winning of the flag four times, the ownership of the same shall be established and shall remain with the village so winning it.

"The following have consented to act as judges and make the award in this contest of good citizenship: Earl E. Orner, president of Wilmette; James Murray, president of Kenilworth; John S. Miller, president of Winnetka; Merle Waltz, president of Glencoe.

"Between now and the election date, the flag will be displayed and the contest explained in the schools of the several villages and elsewhere.

"Dated this tenth day of March, 1926.

"Winnetka Chapter, Izaak Walton League. By James O. Ely, its president, and A. M. Ferry, its secretary."

#### MAKE ACREAGE INVESTMENT

B. C. Burnham has purchased from George B. and P. C. Vilas, the eighteen acres at the southwest corner of Winnetka avenue and Wagner road, at a reported consideration of \$45,500. The purchase was made as an investment, it is said. Lewis T. Dodds, of the Winnetka office and H. N. Tyson, Jr., of the Evanston office of Quinlan and Tyson, were the brokers representing both parties.
