for health

BOWMAN Dairy Company Cottage Cheese is one of those delightful foods you can eat as often and as much of as you wish. It is healthful! Made only from the curds of perfectly pasteurized milk it is readily digested. Children can eat their fill too.

And what a treat it is! Any cook book will show dozens of different and enticing ways of serving. Just try it once and see how it "peps" up your daily menus. Its creamy deliciousness will win the entire family.

If you are economical (and who of us isn't) you will find Bowman Dairy Company Cottage Cheese a great aid to cutting the high cost of living. That's because it's ALL food—no waste.

Order a carton from our milkman today!

Has Leading Role in Guild Play

Erma Blaine McKendry, well known locally as a reader and a member of several little theater casts, carries the leading feminine role "The Pelican," North Shore Theatre Guild production now being presented in the various north shore communities.

WINNETKA BUILDING NEWS

Vol. 1

Winnetka, Ill.

No. 9

This sentence contains all the letters of the alphabet: "Pack my box with five dozen liquor jugs." The sentiment is beautiful, too, don't you think?

Wm. Salmen is using **Celotex** on the ceiling of his store building in Hubbard Woods, this acts as insulation as well as a base for plaster, insuring a warm building in winter and a cool one in summer.

Stage hand, to manager.—"Shall I lower the curtains? One of the living statues has the hiccups!"

John Mills is getting under way on Andrew Hostnick's new house on Linden Avenue, Glencoe. We would be pleased to have you notice the quality of lumber used on this job. This is a sample of the quality of lumber we furnish.

"If you don't think clothes make the man," says John Dethloff, "just try going without them."

Our stocks of anthracite coal are now complete.

This is the time of the year when gratefires are appreciated. To get real satisfaction, use some of our nice dry maple wood or cannel coal.

Your fuel requirements will receive prompt and careful attention.

Lots of men in this town have the post office habit. Ever notice it?

Our **Dixie Fire Kindlers** are making a hit, ask us about them, they're a product of merit. For starting fires, or where a small fire is needed, they have no equal.

Try this one:—Take number of your living brothers, double this amount, add three, multiply result by 5, add number of living sisters, subtract 150. Right hand figure will be number of deaths, middle figure number of living sisters, left figure the number of living brothers.
