Troubadors Rehearse For Community Sing

The Troubadors held their regular weekly rehearsal meeting Tuesday night of this week in spite of the raging blizzard. Director Gunn is getting the glee club in good trim in order that the group may assist at the Community Sing to be held here in connection with National Music Week.

Recently parents of the members of the club attended a rehearsal and expressed great enthusiasm over the progress the group is making. The members are loyally weathering the growing period that all such organizations must pass through and Director Gunn is given credit for lending real inspiration to the enterprise.

Mr. and Mrs. C. F. M. Miller, their sister, and their son have just returned to Winnetka from a trip to San Bruno and Catalina Island, Cal. and Mexico.

FOOD SALE COMING

Camp Fire Girls of Village to Hold Great Event at Community House Saturday April 10

Winnetka Camp Fire Girls are making preparations for the most elaborate Food sale on record in the village, Saturday, April 10, in the morning from 10:30 o'clock until noon.

The Assembly room of Community House will present a most unusual scene, what with the array of delicacies and staple food products attractively arranged on the many tables.

This enterprise represents the culinary efforts of about 100 Winnetka Camp Fire Girls and the proceeds are directed into the Camp Fire fund. Honor awards go to the members of the eight Camp Fire groups participating in the sale for proficiency in this department of their domestic science study. Each table will be presided over by a Camp Fire Guardian and the food will be judged by a committee from the Camp Fire Council.

Local honors will be awarded to the groups who achieve 100 percent in the ratings, and there will be special honors for the most prettily decorated table, as well as the collection indicating the greatest variety of effort.

Aside from the honors, the housewives of the village are reminded that, after all, here is an opportunity to get some excellent pastries and other delicacies at moderate cost, and in a manner that will rebound to the benefit of the Camp Fire Girls.

Church Receives Fine Painting From China

A beautiful picture both from the point of view of the subject and artistic coloring has been received by the Winnetka Congregational church from the Rev. and Mrs. Paul R. Reynolds and their children, from Fenchow, China. The subject of the picture is "A glimpse of the great wall of China near Peking." It has been framed by the Church council and hung in the church. Mr. and Mrs. Reynolds are ministers of the local Congregational church to China.
