

A State Bank

Who Saves the Money You Earn

SOMEONE saves it. Why not you?
From time immemorial Thrift has been one of the greatest factors in bringing civilization to a higher plane.

For you, a cash surplus at this bank is a key to opportunity, a bulwark in adversity, a loyal servant that earns while you earn.

More stories of success have been written in bank books than in all the magazines ever printed.

Someone will save the money you earn. Why not you?

WINNETKA TRUST *and* SAVINGS BANK

Elm Street  at Center

LEE Says:

THERE'S a mighty
SENSIBLE lady in
WINNETKA who has the
RIGHT angle on the
HUSBAND question—
SHE says she doesn't
OBJECT at all to her
HUSBAND scattering cigar
ASHES around over the
HOUSE—that so long
AS he doesn't do
ANYTHING worse than
THAT, she won't
COMPLAIN a bit—and
SO he enjoys his
EVENING cigar at home
AND when I say
"ENJOYS," I mean
EXACTLY that, because
I happen to know that
HE smokes
PERFECTO GARCIA cigars
AND any smoker who is
ACQUAINTED with that
CIGAR knows that there's
GENUINE enjoyment in
EVERY puff—

Perfecto-Garcia
