

PLAN SOCIAL PROGRAM

Odd Fellows to Have Busy Season of Degree Work and Entertainment in April and May

By A. H. H.

On the evening of April 1, A. T. Sherman Lodge No. 892, I. O. O. F., held an entertainment for its members. As the theatrical troupe that had been retained for the evening was unable to come out from the city on account of the bad weather, an informal program of entertainment was carried out by talent selected from the members present. The augmented lodge orchestra, consisting of a piano, two violins, a banjo, a harmonica, and a snare drum, furnished lively music. Refreshments were served, and it was reported as being a good sociable evening, enjoyed by all present.

The entertainment committee of the lodge has arranged a tentative program for the next few succeeding weeks. This program is as follows:

- April 15—Initiatory degree by Sheridan Lodge No. 662, of Highland Park.
- April 22—Open date.
- April 26—First degree by A. T. Sherman Lodge No. 892, at Northbrook Schoolhouse, at the meeting of the North Shore Fraternal circuit.
- April 29—107th Anniversary of the Order. Celebration.
- May 6—Second degree.
- May 13—Card and bunco party.
- May 20—Third degree.
- May 27—Open date.
- June 18—Memorial services.

PLAY FOR MASONS

"The Buccaneers," a new dance orchestra composed of New Trier high school boys, will furnish music at the monthly social evening to be held by the Wilmette Masonic lodge on Thursday, April 22. This orchestra has become very popular along the north shore recently.

Stormy Night Is Made Lovely Dasch Players

BY MUSIC CRITIC

Tuesday evening, April 6, was a horrible evening, from the point of view of one who has a disgust for watery slush and cold rain. The writer having this point of view, was astonished to see on that evening so many people present at the last concert of the Symphony Players in New Trier hall. Perhaps the fact that two north shore neighbors contributed an important number accounted for the size of the audience. It certainly was a unique occasion a composition by Miss Helen Sears presented by Miss Agnes Pillsbury, with the very effective aid of Mr. Dasch's well known orchestra.

The program opened with the performance of Schumann's D Minor Symphony. It was a brilliant number played with unusual skill and a fine feeling for proper tempo and finish. The second selection was Miss Sear's creation, a Fantasy for piano and orchestra presented by Miss Pillsbury with crispness and precision. We only wish that we might have heard her play a whole program. It would have been compensation for the delayed coming of spring. The audience liked the composition and playing so much as to demand an encore.

In the second half of the program appeared compositions by Saint-Saens, Grieg, Dvorak, as well a Duet for Flute and Clarinette made by Alfred Quensel, an able and honored member of the Symphony Players. Mr. Quensel himself played the flute part in his own production, the clarinet part being played by Mr. Evenson.

Mrs. Samuel Brown, 309 Fairview road, expects to return next week from Pittsburgh where has been visiting her sister.

Dudley Cates and his son, Ambrose, 620 Ash street, have been spending a short vacation period at Ross, Cal., a suburb of San Francisco. They are expected to return to Winnetka in about a week.

"DEMOCRACY"—TOPIC
 "Can Democracy Be Made Safe for the World?" will be the theme of the evening sermon by the Rev. Thomas A. Goodwin Sunday, April 11, at the Winnetka Congregational church.
