

BALANCE IS KEY TO RADIO SATISFACTION

To make **you** satisfied with a radio, we must select one for you at a price you can afford, give you terms that will not be a burden—and it must be a set that is adapted to your local conditions and at the same time harmonize with your home furnishings. And above all, its performance must fulfill your desires.

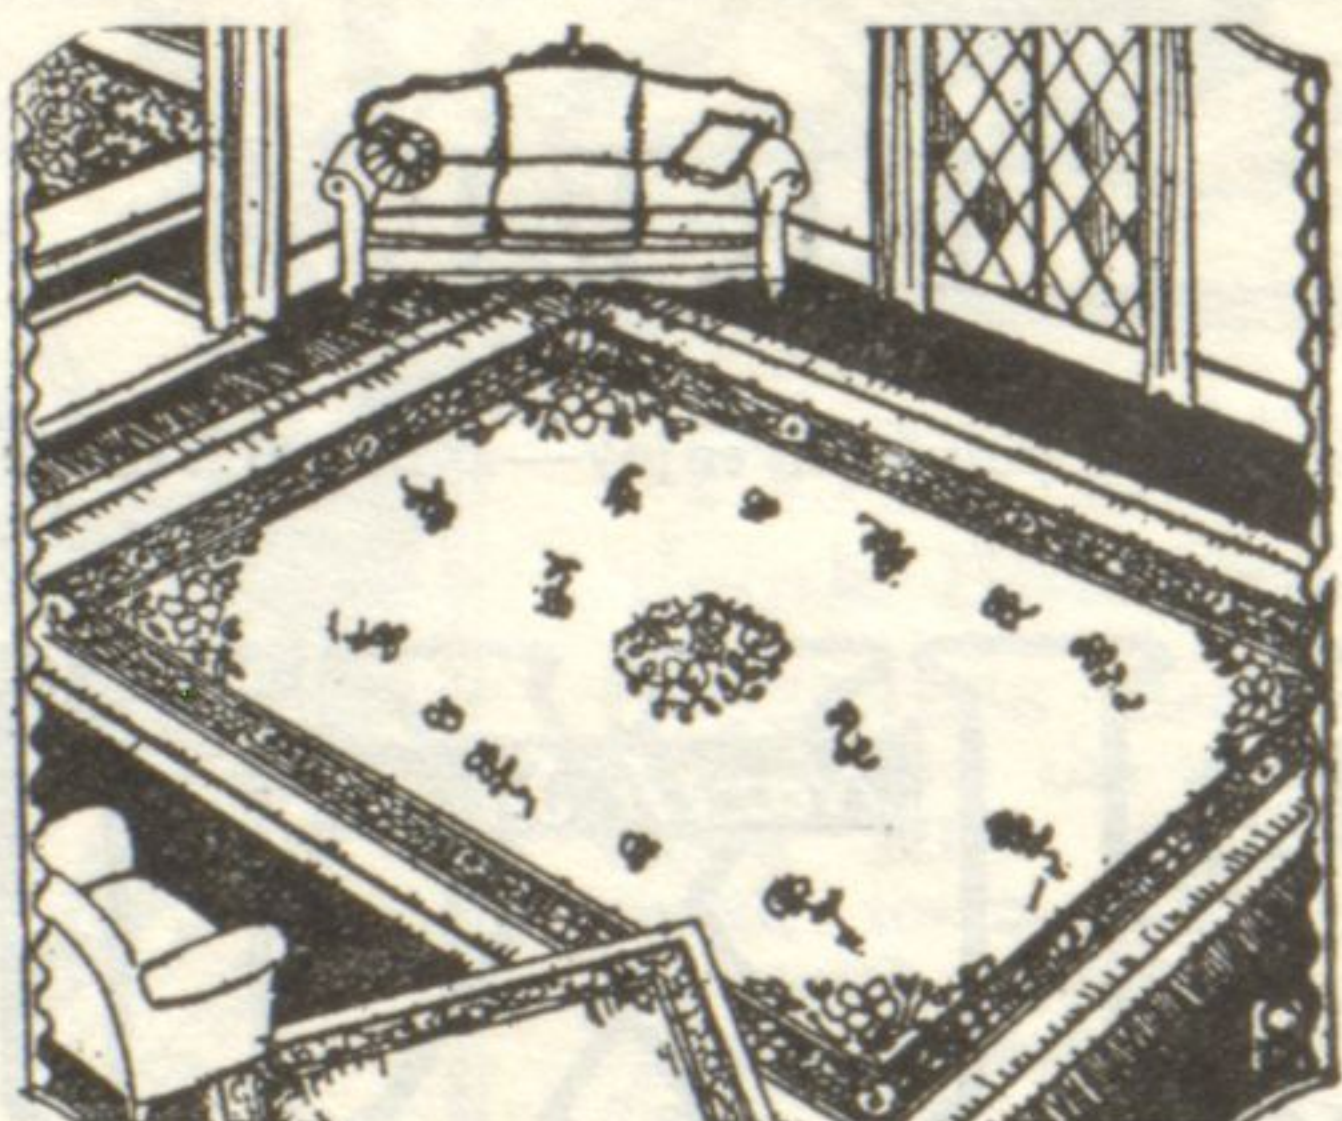

That we **do** take the trouble to find the set that balances these rigid requirements is attested by the fact that nearly everyone of our patrons feels that **he** has the best set on the market. And this, notwithstanding the fact that we have been very conservative in our advertising and talk about our various sets.

School Will Hold Show of Local Artists' Work

During the week of April 12, the picture committee of New Trier High school will give its second exhibition of paintings by local artists. Among those whose work will be displayed are Anna Lynch, Mrs. Anita Willetts Burnham, Dudley Craft Watson, Allen E. Philbrick, Karl Buehr, Mr. and Mrs. Peyraud and Laura Van Pappelendam. The pictures will be placed in the main hall of the school and all residents of the township are especially invited to attend the exhibit. On Tuesday, April 13, mothers of members of the Girls' club, which has been aiding the picture committee in its work, are invited to attend a special showing of the paintings.

ATTEND LECTURES

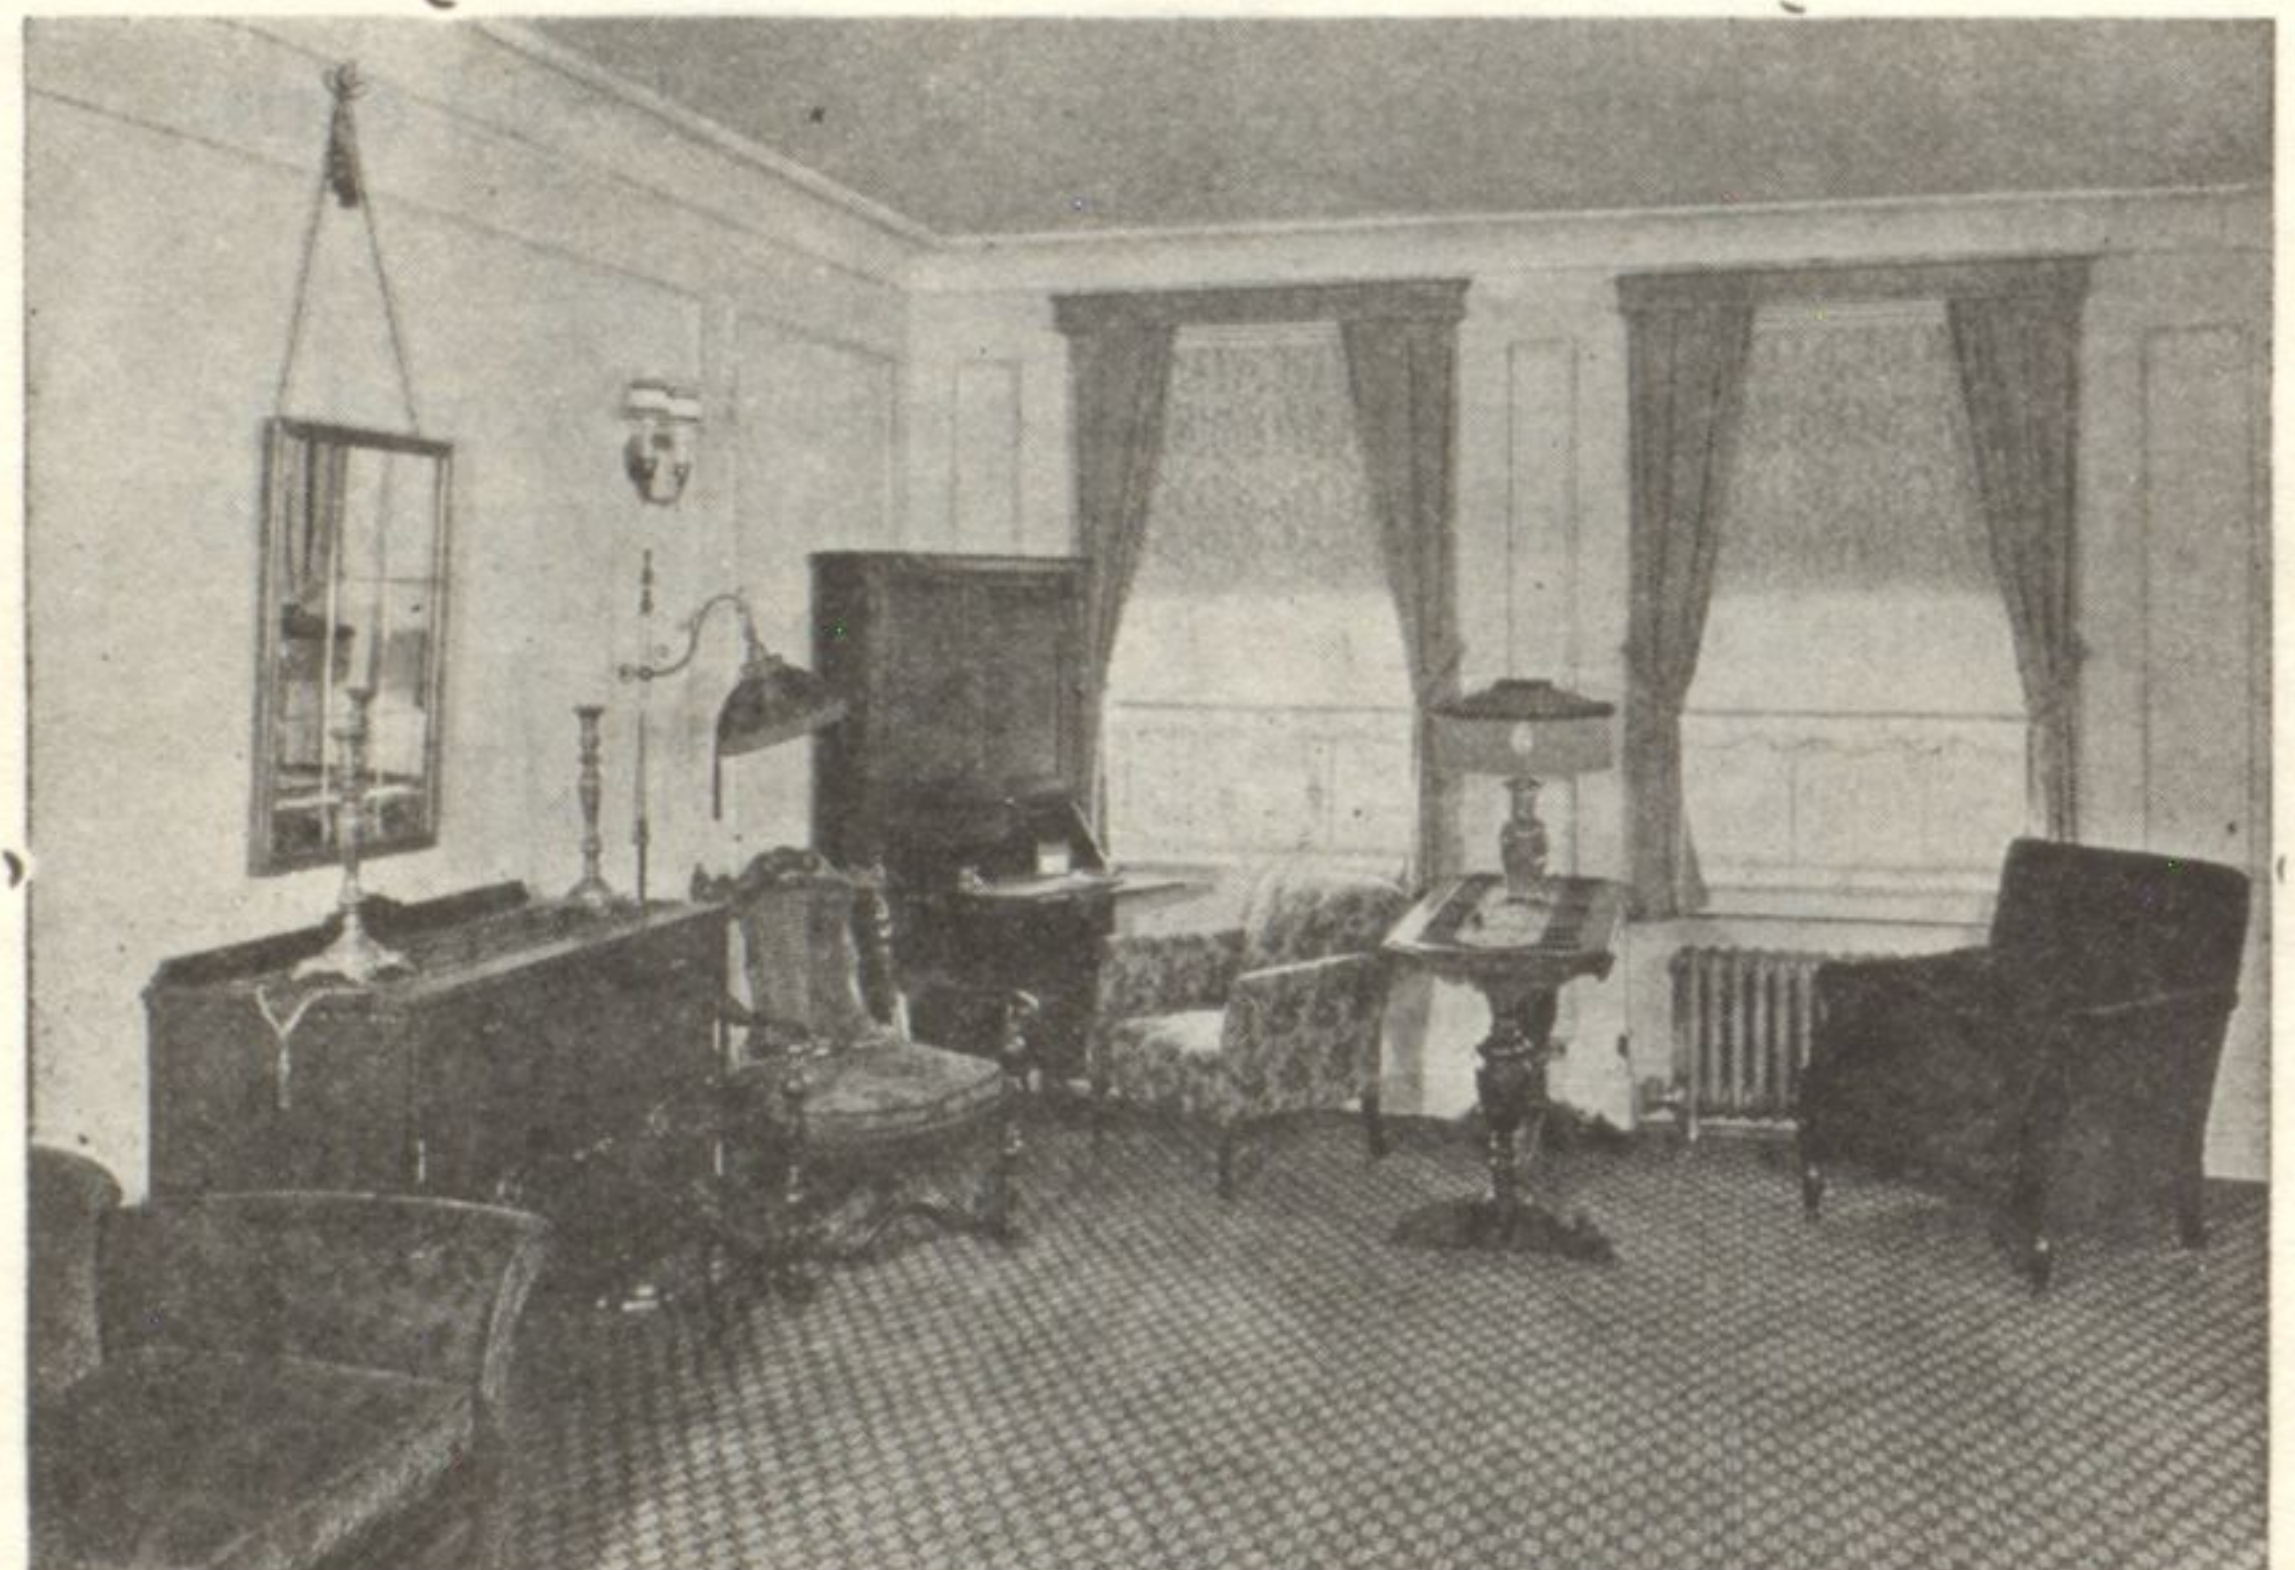

Mrs. Harold Ickes of Hubbard Woods opened her home each morning last week for a course of talks by Marietta Johnson, far-famed authority on the education of children. Some of the young matrons attending were Mrs. William Gold Hibbard, III, Mrs. James Waller Marshall, Mrs. Emmons Blaine, Jr., Mrs. Albert G. Berry, and Mrs. Wilmarth Ickes, daughter-in-law of Mrs. Ickes.

Society Interested in Benefit to Aid Girls' School-Home

Mrs. Charles S. McCoy of Wilmette, and Mrs. George S. Parker, Mrs. John R. Montgomery, Mrs. Arthur R. Dean, Mrs. Willoughby Walling and Mrs. Harold Ickes of Winnetka, are among the north shore women who are engaged in the arrangements for the attractive luncheon and bridge party to be given at the Hotel La Salle, Tuesday, April 13, for the benefit of the cottage maintained by the Chicago Woman's club at the Park Ridge School for girls. Following the serving of a four course luncheon, pivot bridge will be played in the ballroom. A prize will be given to every table.

The Park Ridge School for Girls is a collection of homes, each presided over by a house-mother, and inhabited by dependent girls who have no home environment of their own.

Miss Virginia Haight, daughter of Mr. and Mrs. Elbert E. Haight, 815 Bluff street, Glencoe, entertained 28 guests at bridge Thursday afternoon, April 1.
