 Beauty Lies in
 Healthy Eyes
 Millions of women throughout
 the world possess beautiful
 eyes which are the crown
 of their beauty. It is the
 eyes which give the
 expression to the face and
 which are the windows
 of the soul. The eyes
 are the most delicate
 and sensitive of the
 body's organs and
 require the most
 careful attention.
 The eyes are the
 most important
 part of the face
 and the most
 delicate of the
 body's organs.
 They are the
 windows of the
 soul and the
 most sensitive
 of the body's
 organs. They
 require the most
 careful attention
 and the most
 delicate treatment.
