

# WINNETKA TALK

## Open Electric Station

The new station of the Chicago, North Shore and Milwaukee railroad will be formally opened Monday evening, April 19, at 8 o'clock. There will be opening ceremonies to which all residents of the village are invited. The building is of the English village type of architecture, to conform to the Winnetka plan and is one of the finest stations the North Shore line has built. It will have every convenience for patrons of the line.
