

**New Trier High School
Conducts Dental Survey**

New Trier high school is conducting a dental survey of its entire student body numbering approximately 1,400, in connection with its health program, this week and the early part of next week. Sixteen dentists, from the various north shore communities in which the students of the school live, are spending an hour at the school several mornings each week examining the teeth of the pupils. Charts showing the dental work needed by each student are being prepared and students will be asked to have this work attended to by their own dentists and to present certificates showing that it has been done. It is hoped to have these certificates by the middle of May, it was said.

AT ALUMNAE TEA

A number of Winnetka members of the Illinois Alumnae association are planning to attend the tea Saturday afternoon, April 17, at the home of Mrs. Alfred Kuehn, 220 South Ridgeland avenue, Oak Park, which the west side group of the University of Illinois alumnae is sponsoring. The affair is given in honor of Mrs. Charles Dennis, president, and of all past presidents.

Word comes from Mrs. Katherina Brand, mother of Mrs. Fred Schwall of 797 Cherry street that she is enjoying her stay in California and will not return until the middle of May.

**Observe Music Week
in Winnetka May 2**

Plans are now under way for the celebration of the opening of National Music Week, which will take place in Rudolph Matz hall Sunday, May 2, at 7:30 o'clock.

Various groups are preparing to participate in the program, and there is more enthusiasm in their planning than ever before, it is said. This is Winnetka's fifth annual celebration of this nature.

Rabbi Harvey Wessel has been secured to make the short address of the evening. There will be several unique features on the program, and Winnetkans are urged to reserve the evening of May 2 for their family's participation in this annual "sing-fest."

**Your Problems in Paint and ...
any Historical Question**

That you may have in mind will be answered at our store next Friday and Saturday April 23 & 24

Semi—annual Paint Demonstration

The manufacturers representative of B. P. S. Paints (Best Paints Sold) will be here to answer any question you may have about paints. You will not be asked to buy, but we do want you to bring your paint problems. Come and receive a FREE sample of B. P. S. Paint.

During this demonstration, we will have a counter, made up of many articles that are useful and "every day needs" in the home. They will be sold at bargain prices.

An added attraction!

"Railroad Jack" memory expert and philosopher of simple life has arranged to be with us on these 2 days to answer any question regarding great men and women of history (he will also tell you on what day of the week you were born if you'll tell him how old you are) Railroad Jack is quite well acquainted in our community as he has already spoken to practically all the schools here, and at several noon day lunch clubs. What we want to do, is to have some man or woman ask Jack a question in history that he cannot answer. Come prepared to "hook" him.
