

S. S. President Roosevelt

Have the boys at New Trier High School any ability as Salesmen?

We believe that they have, and we also believe that there is one boy in Wilmette or Kenilworth, one in Winnetka and one in Glencoe who is just a little bit better than all the others.

We do not know just who this boy is but we are going to find out. Lloyd Hollister, Inc., on Friday, April 16th, will open a campaign for new subscriptions; the solicitors will be boys of the New Trier High School.

For the boy in each community having the largest number of merits according to the Rules governing the "On to Europe" Campaign, Lloyd Hollister, Inc., has arranged a trip to Europe with all expenses paid from the time the boy leaves home till his return. The boys will be accompanied by an instructor from New Trier High School.

Every High School boy is eligible to enter this campaign and every boy will be paid in cash for his services if he is not at the top of the list.

Registration will be Friday Afternoon, April 16th, in room 205
