Men's Class Arranges Activities for Summer

The Young Men's class of the Winnetka Congregational Church school met for an evening's battle with the ten pins last Thursday. Keen competition developed for first place—and last. The next social-athletic event will probably be an outdoor affair, if the weather man makes good on his promise of spring. Plans are being made for a playground ball team. All young men over high school age are welcome to the sessions of the class, which meets at 10 A. M. every Sunday, in the North Neighborhood room of Community House. The Rev. Thomas A. Goodwin is director of the class.

K. OF C. MEETING

Quilmette council, Knights of Columbus, will hold a meeting in Odd Fellow's hall Tuesday evening, April 27.

Mrs. George B. Everitt of 1035 Dinsmore road, entertained ten of her Winnetka friends at a bridge-luncheon yesterday afternoon.

Miss Bernice Abrahamson is entertaining 20 senior high school girls at bridge this afternoon at her home, 762 Walden road.

Arden Shore Boys Hold Reunion at Lake Bluff May 2

Sunday, May 2, has been set as the time of the annual Home Coming Day for the boy graduates of the Arden Shore Rest camp at Lake Bluff. These boys who have attended the winter camp for under-nourished working boys will journey from Chicago to the camp in North Shore line busses in the morning, arriving in time for dinner.

The day's program will begin at 3 o'clock with a talk by Dr. J. W. F. Davies, minister of education at the Winnetka Congregational church and director of Winnetka Community House. The Great Lakes orchestra will provide a program of music and specialties.

There will be a supper for the boys and tea for the visitors.

Boys at the camp have found great friends in the men at the naval training station. For several years the naval men have provided the Christmas morning breakfast for the campers and one year presented each boy with a wrist watch.

This is the season of the year when the work for the Arden Shore boy campers can be observed most readily, it is explained.

All residents of the north shore are cordially invited to attend the Home Coming.

Mrs. Frank L. Bellows, 221 Warwick road, Kenilworth, who has been spending the winter with her son, Frank L. Bellows, Jr., in Honolulu, has sailed on the President Taft for the Orient. She plans an extended sojourn in China and Japan.

Mr. and Mrs. John P. Oleson and their daughter, Miss Barbara, of 240 Woodstock avenue, Kenilworth, came home from Sarasota, Fla., Monday.

A thrifty purchase

WHEN you put an Exide in your car it brings a feeling of security that takes your battery out of mind. An Exide seldom, if ever, needs repairs, and lasts a notably long time. At the present low price it is a thrifty purchase indeed. At dealers everywhere.

\$16.50

\$16.50 for a 13-plate Exide. There are Exide Batteries for every car, some costing more than this and some costing even less.
