

*U. S. S. REPUBLIC Will Carry Boys Home*

## **BOYS! BOYS! BOYS!**

The "On to Europe" Campaign has just started. Register now and enjoy the fun. Every boy in New Trier High School is eligible to enter this campaign. Every boy will be paid for his services.

The boys already entered are enthusiastic about its work.

There are still thirty two actual working days, not counting Sundays, plenty of time for a boy entering now to win the much coveted trip to Europe in June.

We will keep open house in Room 303 at the High School every day after 2:15 P. M. Register now for your European Vacation.
