

MANY GROUPS JOIN IN MUSIC WEEK PROGRAM

Gathering at Community House Tomorrow Inaugurates National Music Week

The concert at Community House Sunday evening, May 2, inaugurating the National Music Week, promises to be an unusually interesting occasion, judging from similar past occasion and from the program itself. Those who have had the good fortune to be present at one or more of the past annual concerts, beginning in 1922, will recall the ample and enthusiastic expression of community spirit, the wide differences in creed, nationality, purpose, and training shown by the participating groups—yet all blended into one at these concerts.

The groups who will participate are as follows: Congregational church adult choir; Czecho-Slovakian club; Harmonica club; North Shore Congregation; North Shore Country Day High school boys; North Shore Glee club; Scandinavian Pleasure club; Skokie school orchestra; Skokie school Girls' Glee club; the Troubadors. Miss Nina Fitch Babcock will be the pianist and Mrs. Burton H. Atwood the director.

A few notes on the program which follows below may be interesting. Miss Leah Pratt, soloist for the North Shore congregation, is a well known Chicago contralto. The North Shore Glee club is often heard over the radio. The Czecho-Slovakians are to appear in what will prove both a surprise and a delight. Their flute soloist is a young woman well-known in musical circles and now doing much concert work on the road. This is the first public appearance of the Harmonica club, an inter-school group doing valuable work under the direction of Miss Jean Hislop.

The Program

- March of the Pheasants Weber Skokie Orchestra
- America
- Invocation Dr. J. W. F. Davies
- Come, Thou Almighty King. Assembly

- Viking Song Coleridge Taylor
- The Troubadors
- Auld Lang Syne
- Assembly
- Benediction .. Rev. Thomas A. Goodwin

Village Gets New Sweeper

Winnetka's new motor-driven street sweeper, which was purchased recently, has been kept busy in the annual spring clean-up of village streets. The machine has proved very satisfactory, according to officials, and was used this week on Kenilworth streets, through an agreement between the villages. It is estimated that it will cost the village no more to clean the streets with the sweeper than by hand, as has been done in the past, and that a much better job can be done. It is planned to clean the streets in the business district every other day, and the residential streets at least every two weeks.

ELECT NEW DIRECTORS

New Trier Orchestral Association Elects Homer Horton President for 1926-27

Another successful season of Symphony concerts passed into history, when Conductor George Dasch bowed his acknowledgements to the applause of the audience at the close of the last concert on April 6. At this last concert occurred also, the annual meeting, when the following directors were elected: Wilmette—Mrs. Miles McMillen, H. B. Mulford, R. D. Burtner; Kenilworth—Miss Helen Sears, Mrs. Anna B. Spach, Howard O. Edmonds; Winnetka—Mrs. Roland Whitmen, Harry L. Street, Arthur W. Cushman; Glencoe—Miss Helen Martin, Mrs. Dwight C. Orcutt and Mr. Homer Horton.

At a later directors' meeting the following officers were elected: president, Homer H. Horton; vice president, Mrs. Homer C. Cotton; secretary-treasurer, R. D. Burtner.

Tickets Available.

Subscriptions for tickets for next year's concerts are now rapidly closing. There remain, however, a number of vacancies which are available for those who act quickly. It is reported that many who have not subscribed heretofore, have hesitated to enter the waiting list, in the belief that it would result in a hopeless wait. This is not the case, as there are always some, who, through removal or other causes,—drop out each year. Through a recent interview, we are able to say that any who apply quickly may be practically assured of tickets for next season. All applications should be addressed to R. D. Burtner, secretary, 1504 Monadnock block, Chicago.

Mr. Dasch and his players are now away on their annual tour. They will be heard in many cities from Memphis on the south to Rochester on the north.

NEXT WEEK IN WINNETKA

- Monday, May 3
- OPEN

Buy Poppies at Home, Plea of Legionnaires

When Poppy Day comes around, and that will be Friday, May 28, buy your poppies in Winnetka! That is the plea of the Winnetka Legionnaires. The little flowers, made by disabled veterans in the hospitals of the country, will be on sale at the railway stations in the village. The proceeds goes into the Service fund of the American Legion. Marcus D. Richards is chairman of the Winnetka Poppy Day committee.

GET THE MOSQUITO IS SLOGAN IN DRIVE HERE

Village President Reappoints Board to Direct Work of Abatement in Winnetka

Mosquito abatement in Winnetka this year will be in the hands of the same committee and conducted along similar lines as last season, according to a notice and an appeal for funds which are being sent to householders of the village.

Last year, at the request of John S. Miller, president of the village board, a committee comprising Darrell S. Boyd, Ralph Hobart, E. C. Weissenberg, Samuel A. Greely, Langdom Pearse, Carl Zeiss, Ayres Boal and H. C. Phillips solicited funds with which they employed an expert sanitary engineer and met the cost of a large amount of oiling and cleaning up the breeding places of mosquitoes in Winnetka and vicinity.

This year Mr. Miller has requested the committee to act again in the matter, as owing to the very widespread area of shallow pools, waste water and moisture left by the melting snow, the season promises to be one exceedingly favorable for the breeding of mosquitoes, and their early spread in great numbers.

The committee, in turn asks all householders to contribute a fund for the purpose of abating the mosquito nuisance during the coming spring and summer. The money, it is explained, will be expended solely for materials purchased through, and labor supervised by, H. L. Woolhiser, village manager and such expert advice and inspection as may be required.

The circular letter being sent out at this time by the committee, says that last year several inquiries were received as to what would be an appropriate sum for each householder to give. The letters are being sent out with the village electric light bills, and in answering the foregoing question, suggests that if all the householders should contribute an amount equal to at least one-fourth of their January electric light bill, the amount so raised would be sufficient. However, any contribution, it adds, either more or less than this amount, will be very welcome.

Men's Groups Dine at New Trier Cafeteria

Members of the Winnetka Rotary club, together with other representative men's organizations in the township, enjoyed a dinner in the New Trier High school cafeteria Friday evening of this week. The dinner was the occasion of a testimonial to the high school Parent-Teacher association, and the board of education. The Rev. James Austin Richards, president of the Rotary club, was the principal speaker. Following the dinner the men heard the New Trier-Proprio debate and a program given by the musical groups at the high school.

ROTARY DELEGATE

The Rev. James Austin Richards, minister of the Congregational church and president of the Winnetka Rotary club, has been elected of the local club to the convention of Rotary International, to be held at Denver, Colo., June 14-18. A Lee Adams was elected alternate. The Winnetka club will be represented by several members at the Denver sessions.

Mrs. George Park of Winnetka, formerly of Glencoe, with her daughter, Mrs. C. D. Boyle, is making a trip in the East which includes visits in Utica, N. Y., and Toronto, Canada.
