

They're better off "barefoot"
than they are with
improperly fitted Shoes

"CORRECT FITTING" of Children's Shoes is the first consideration in "Fosters". It's a simple thing to make a shoe that will "WEAR"—a good looking shoe is just a matter of "STYLE" but "CORRECT FITTING" means that both the designer of the shoe and the man who "fits" it must know what Children need.

Children who
"Grow Up"
in Foster Shoes
always have
PERFECTLY
Shaped Feet

The Foster School Shoe "TROJAN" — The Shoe that Wears — and wears — and wears

**Purchases Large Farm
Through Realty Firm**

Otto E. von Linde has purchased for an undisclosed consideration through Gilbert D. Johnson and Brother of Chicago and D. C. Schroeder of Barrington, co-operating, the Charles Helm 161 acre farm southwest of Barrington. Mr. von Linde immediately re-conveyed to the Public Service company of Northern Illinois a 150 foot strip along the west side of the property, consisting of approximately nine acres. This purchase lies in the midst of an area of tremendous activity. Most of the farms in this vicinity have been sold recently, and a number of large transactions are under contract and will be disclosed shortly.

Mr. and Mrs. James Fentress of Hubbard Woods are planning to pass the summer in England, and will sail from New York in the early summer.

**Beauty Lies in
Healthy EYES**

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

Millions of women throughout the world promote EYE health and beauty with **Murine**. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.

Our illustrated books on "Eye Care" or "Eye Beauty" are FREE on request.

**Child Pianist Wins
Ruby Medal Contest**

Harriet Mason, talented 13 year old pianist, daughter of Mr. and Mrs. George W. Mason of Chicago, formerly of Winnetka, won the Ruby medal for her playing of the Rondo Capriccioso, by Mendelssohn, Saturday, April 24, in the contest for the Karl Reckzeh medal.

Harriet was the youngest of the ten contestants, and had not been at work on the composition as long as the rest, Mr. Reckzeh having only thought of her entering the contest late in February. The judges, Walter Knupper, Moissaye Boguslawski, and Isadore Buchhalter, heard the contest from a room off of Kimball hall, and did not see the contestant.

The Winnetka board of the Northwestern university settlement held an all-day meeting Thursday in Mrs. John Nash Ott's garage.
