### Gladys Hight to Present Pupils in Recital May 2

Many north shore residents are expected to attend the "Ballet Unique of 1926" to be presented by the Gladys Hight School of Dancing at the Studebaker theatre, Chicago, Sunday afternoon, May 2.

This is the eighth recital of the school at the Studebaker. Other recitals have been held at the Selwyn and Blackstone theaters. Three hundred pupils will participate in Sunday's program, with one of the principal features a ballet for children written by Miss Hight and entitled "Quest of the Three Princes." There will also be an adult ballet of fifty girls and twenty-five men.

The unusual variety of dances on the program is indicated in the following team presentations: Apache, Tango, exhibition waltz, fox trot and Charleston. There will also be Japanese, Egyptian, South Sea, Arabian, Turkish, Spanish, Greek and Hindu dances. Miss Hight has studied these latter dances in their native lands. She returned a few months ago from Egypt and is now producing some of the material she accumulated.
