New Trier Track Men Take Honors at Gary

New Trier high school's track teams placed high in the Gary, Ind., relay meet held last Saturday. The Gray and Green runners won each of the mile relay races, one by a lead of 40 yards and the other by seven seconds. The mile relay team was composed of Brown, Stover, May and Babize. New Trier also won the medley relay. In this event, Mills, who was a star in one of the mile races, again demonstrated his ability. Although New Trier was 50 yards behind when it came to Mills' lap he made up the distance and won by a lead of ten yards. In the half-mile race the New Trier team took fourth place. Coach John Nay was well pleased with the showing made by his boys.

Got Old Pictures of New Trier? Read This

In working up publicity for the coming pageant commemorating New Trier High school's twenty-fifth birthday, the chairman of that committee has sent out a plea to everyone in the township for pictures and snapshots of the school, as far back as they can be secured. Professor Herron, who has complete charge of the publicity says that he desires pictures of the school only, and not those which might have a personal value. The idea is to use these snapshots of the school not only in publicity but in publishing the souvenir booklet of the pageant. Everyone is asked to send or bring their pictures to the school for use to this end.
