Prepare Zoning Measure for Manus Subdivision

Following the recommendation by the plats and zoning committee of the Village council that the decision of the Zoning Board of Appeals in the case of the Manus Indian Hill subdivision be accepted, the Village attorney was instructed to draw up a zoning ordinance for the section by the council Tuesday evening.

This action was taken after months of consideration and after a special public hearing, held recently, at which those present voted more than three to one against a proposal to condemn some of the land for park purposes, which was said to be the only alternative to zoning part of the property for business. The new ordinance will provide for the zoning of a number of lots fronting the west side of the proposed through highway, and two fronting on Winnetka avenue, as business property. The remainder of the subdivision is zoned for residential purposes.

To Widen Lincoln Avenue in Front of New Station

Authority was granted to the Chicago North Shore and Milwaukee electric railroad to widen the pavement on Lincoln avenue, in front of its station and substation property, a distance of 10 feet to the present sidewalk line, at the council meeting held last Tuesday evening. The new paving will be of concrete, following plans and specifications of the Village engineer. This will give additional parking space on Lincoln avenue and it is expected that ultimately the widening will continue to the limits of the business district of both sides of the street.

E. J. Hicks Heads New Trier P. T. A. for Next Season

The dinner at New Trier High school, Friday evening, brought together representatives of various men's organizations of the township in a fitting close of the season's work of the New Trier Parent-Teacher association, and was further expressive of the appreciation of the work of the Board of Education. The groups represented were the Glencoe Men's club, Winnetka Rotary club, Wilmette Rotary club, Wilmette Optimist club and other organized groups from Wilmette and Kenilworth.

The meeting was addressed by Edward J. Phelps, member of the New Trier Board of Education and the Rev. James Austin Richards, Minister of the Winnetka Congregational church and president of the Winnetka Rotary club.

There was also a debate on the question of "The Open Shop," by students of New Trier and Proviso High schools. The New Trier High school Musical groups furnished the music.

Following the dinner, the Parent-Teacher association met and elected the following officers for the ensuing year: president—E. J. Hicks, Kenilworth, vice-president—Mrs. W. C. Hughes, Glencoe; secretary—Mrs. C. D. Brandriff, Glencoe; senior chairman—Mrs. E. E. Stults, Winnetka; junior chairman—Mrs. George Pattison, Wilmette; sophomore chairman—Charles M. Holmes, Kenilworth.

John Schwall and Sandy Hutchinson of New London, Wis., are spending a week in Wilmette visiting relatives.
