Music Supervisor Pays Visit to Skokie Pupils

Thomas Whitney Surette, head of the Concord school of music near Boston, Mass., paid his third supervisory visit to the Winnetka Public school, Thursday, and led one-half hour of assembly singing at Skokie. He visited the glee clubs and inspected music work generally in the elementary schools, at the conclusion of which he expressed himself as well pleased with the progress he witnessed on every hand. The children, throughout the schools, are exceedingly fond of Mr. Surette, and always look forward to his visits with keenest delight.

Enjoys Extended Stay in Southern Sections

E. C. Weissenberg returned Friday of last week from a three weeks' sojourn in the South. He made a brief stop at Hot Spring, Ark., and then proceeded on down to New Orleans and Biloxi, Miss. The latter section especially, has been numbered among the southern sections which have been enjoying a development of boom proportions, and Mr. Weissenberg says there is still plenty of evidence of activity of this nature down there. He enjoyed every minute of his trip and was also greatly benefitted by it.
