**Purchase Large Tract in Indian Hill Estates**

Henry Urion, 989 Cherry street, Winnetka, of the firm of Urion, Drucker, Reichmann and Boutell, was attorney representing Howard M. Sloan, who took title for a syndicate formed by The Bills Realty Inc., Chicago, to forty acres purchased from the Meier estate and bounded by Reinwald and Avoca roads and by Indian Hill Estates. This parcel added to the Indian Hill Estates will make a unity development of 92 acres immediately to the southwest of the Indian Hill Golf club. **Chicagoans Buy 22-Acre Tract on Wagner Road**

George D. Wolf and Harry H. Wolf, of Wolf and company, certified public accountants, Chicago, have purchased 22 acres in Glenview on Wagner road, opposite the North Shore Golf club, from Harry D. Davisson.

The price reported to have been paid for this choice tract is \$3,000, per acre, for which it is said Mr. Davisson, five years ago, when he was then a resident of Wilmette, paid \$500 per acre and who has since resided on the place.

The purchase, it is said, was made by Mr. Davisson not only to provide himself a country home, but also with the belief that a quickly enhanced value would prove a good investment, and the latter has indeed been substantiated.

Wyatt and Coons, Glenview real estate brokers were the brokers in the transaction.

This has been a troublesome problem to ourselves and our patrons. After mature inspection of various silks, we find that there has been considerable "loaded" silk thrown on the market and we caution you against purchasing it. Only the non-sale of it will force its retirement.

Before purchasing silks, submit samples to us and we will cheerfully test its wearing qualities for you free of charge.
