

## Heat Your Home With Gas!

**A** GOOD automatic gas heating plant needs "no more care or attention than a pup can give."

Temperatures are always exact within a single thermometer measured degree. No overheating nor underheating.

No coal, ashes, soot nor dirt. No oily vapors nor odors.

Our house-heating department would like to show you how well-within-reach is this modern, care-free method of heating your home. Just telephone Waukegan 37.
